

**Jesus is my
shepherd**

**I'm His precious
lamb**

**Tenderly He guides
me**

With his gentle hand

**Calm are waters
where He leads**

**Green are pastures
where He feeds me**

Jesus is my Shepherd

He loves me

**Jesus is my
Shepherd**

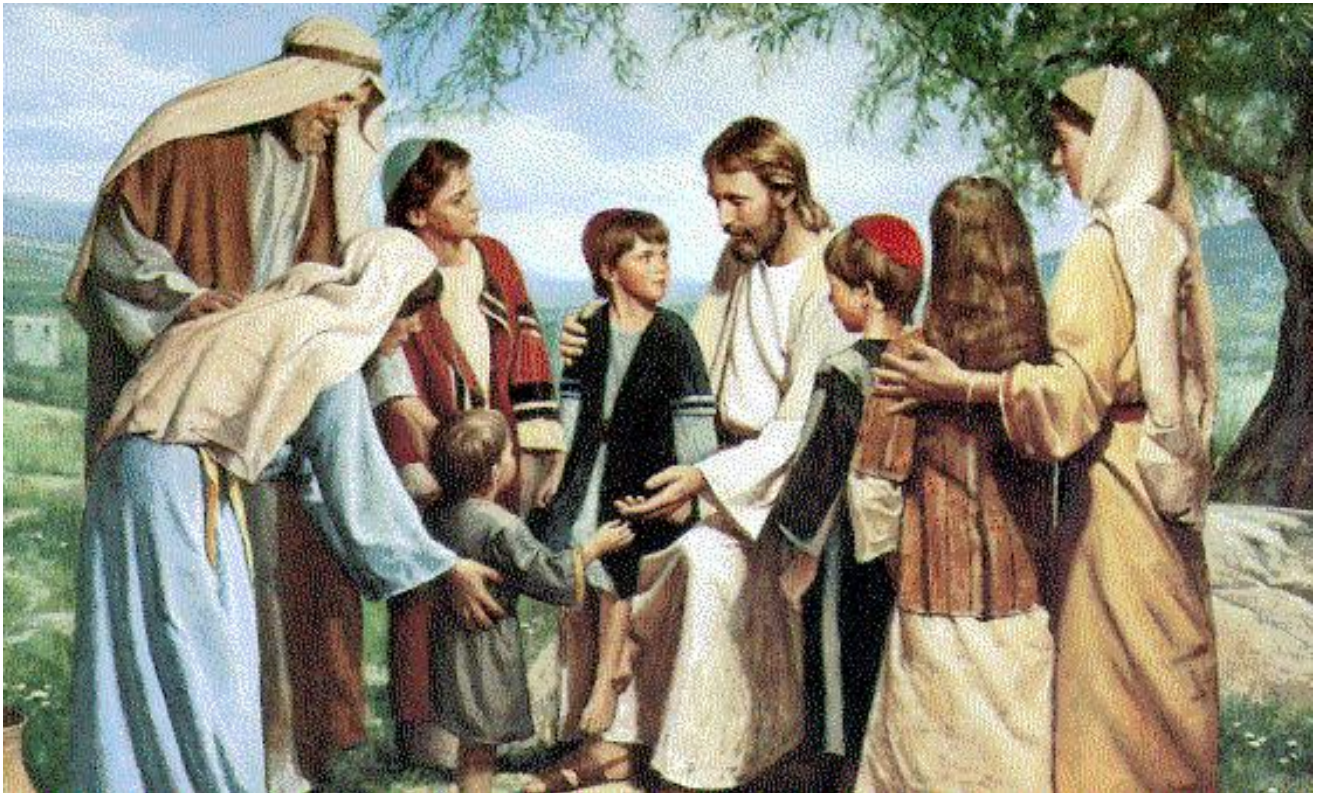

**Jesus knows my
name**

**For His sheep are
numbered**

**Each He loves the
same**

**If my tiny feet
should roam**

**He would seek to
bring me home**

Jesus is my shepherd

**He loves me
He loves me**
