

**Blue skies, mountains,  
rainbows, fountains**

**These are some  
things I love to see**

**Rivers, canyons,  
pine trees, oceans**

**Heavenly Father  
made them for me**

**Life is o'er flowing  
with beautiful things**

**Made by our loving  
and glorious King**

**If I but strive to be  
grateful and true**

**I can be happy in  
all that I do**

**Music, laughter,  
peace thereafter**

**These are some  
things I love to hear**

**Please's, thank-you's,  
may I's, can do's**

**Hearing them fills my  
heart with good cheer**

# **Silky flowers, cool rain showers**

**These are some  
things I love to feel**

**Promptings, guidance,  
warm assurance**

**That's how I know  
the Spirit is real**
