Suffer the children to come unto me

Jesus taught His disciples of old
Then He took every child 

In His loving embrace
And He blessed them so long ago
Bring me your little ones, Jesus said

For of such shall my kingdom be
There was room in His arms for His little ones then
There’s a place in His arms for me
Oh, how the Savior loves each little child
How He smiles

When I seek Him in faith
Then He gathers me close

In His loving embrace
And He blesses me
Day by day
