

**Each morning and
evening**

**And ev'ry time I
pray**

**I thank my Heav'nly
Father**

**That a prophet lives
today**

A living link with heaven

**So all the world can
know**

**God loves us and
leads us back**

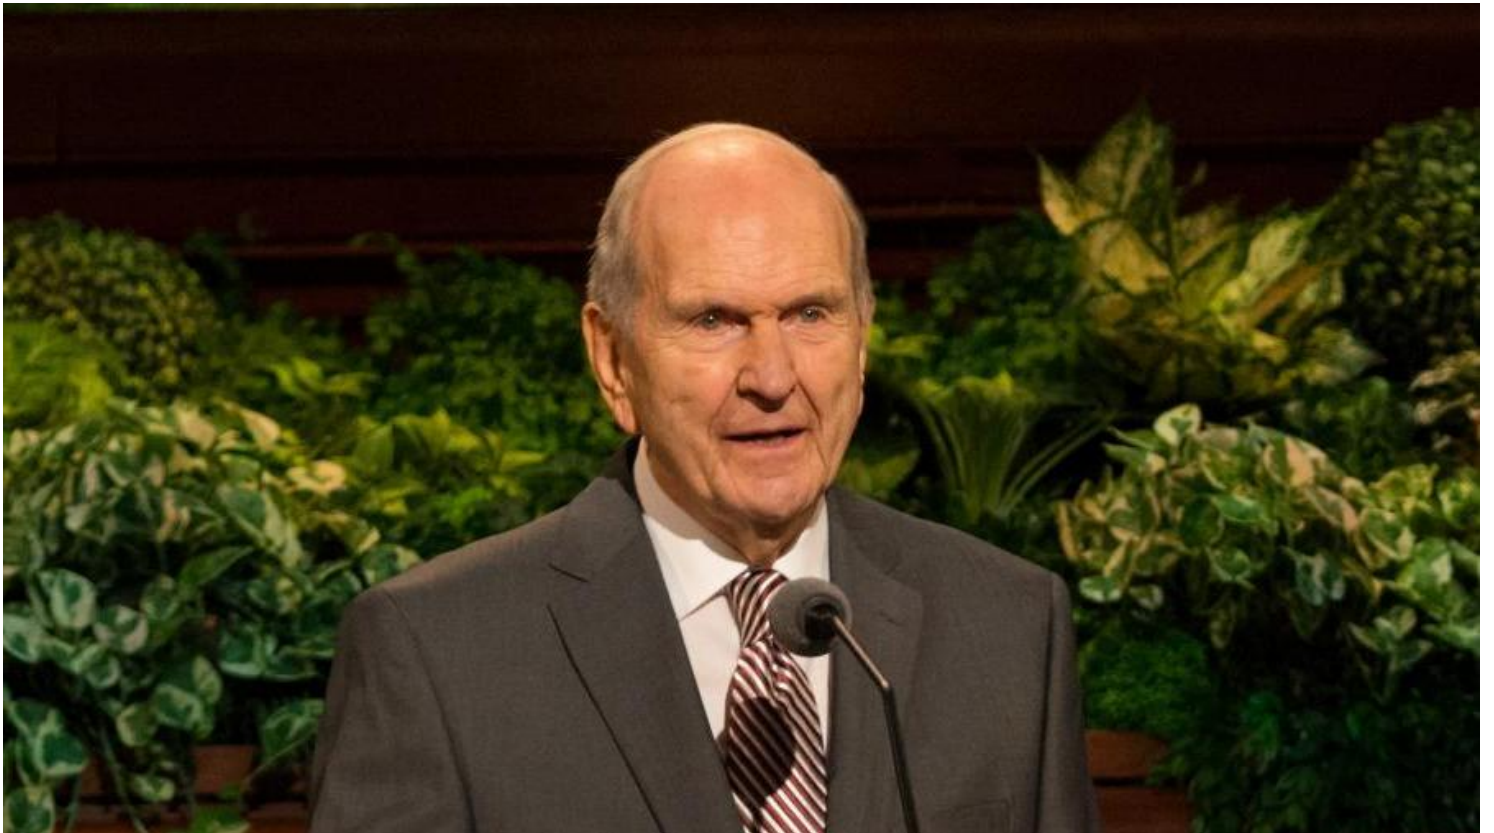

**To our heav'nly
home**

**A witness, he shows
us**

**The strait and
narrow way**

**I thank my Heav'nly
Father**

**That a prophet lives
today**

**He'll always guide
us truly**

I'll try to follow him

**He loves us and
leads us**

**To live with God
again**
