

**Once Jesus sat upon
a hill**

**And taught a
multitude**

**Of faith and love
and peace and joy**

**He taught them to
do good**

**The scriptures bring
these words to me**

**As though I had
been there**

**And when I read
them I can feel**

**My Savior's tender
care**

Once Nephi, Alma, Samuel, John

**Were prophets God
had sent**

**They taught his children
faith and hope**

**They taught them to
repent**
