

# **You've been told**

# **So many things**

**And you've been  
searching high and  
low**

**You're wondering  
what**

**To believe**

**There's always one  
way to know**

**(Cause/And) If you  
ask then He will  
answer**

**If you kneel He'll  
make you whole**

**If you close your  
eyes and whisper**

**He will whisper to  
your soul**

**If you're hurting he  
will heal you**

**If you're humble He  
will come**

# If you lack wisdom

**Ask of God**  
**Ask of God**

# Line by line

# It slowly grows

**So much clearer  
than before**

**A little time  
A little hope**

**And you're not  
wondering any  
more**

**And where you used  
to be afraid**

**Cold and lost out on  
the waves**

# Now your faith will pull you through

**And where the wind  
tossed you around**

**Now you're standing  
on the ground**

# Firmly anchored in the truth

# Ask of God
