Because the Lord Loves Me

(Children's Songs)

Text and Music:
Carol Flock

cause the Lord loves me, His spirit is near. Because the Lord loves me, there's nothing to fear. With love and with patience He leads me along, and with Him on my side, I'll be...
Because the Lord loves me, my heart's filled with peace. Because the Lord loves me, my faith can increase. When I do His will, heaven's closer to me. Because the Lord loves me.

We are His children; Each of us precious to Him. And His love will surround...
us If we follow Him. Because the Lord loves me, I feel what is right. Because the Lord loves me, in Him I'll confide, and I will follow Him faithfully. Because the Lord loves me. We are His
children; Each of us precious to Him. And His
love will surround us If we follow Him. Because the Lord
loves me, my heart's filled with peace. Because the Lord loves me, my faith can increase. When
I do His will, heaven's closer to me Because the Lord loves
Because the Lord loves me.
