

**Because the Lord
loves me**

His spirit is near

**Because the Lord
loves me**

**There's nothing to
fear**

**With love and with
patience**

He leads me along

**And with Him on my
side**

I'll be strong

Because the Lord loves me

My heart's filled with peace

Because the Lord loves me

My faith can increase

When I do His will

Heaven's closer to me

Because the Lord loves me

We are His children

Each of us precious to Him

**And His love will
surround us**

If we follow Him

Because the Lord loves me

I feel what is right

**Because the Lord
loves me**

In Him I'll confide

**And I will follow
Him faithfully**

**Because the Lord
loves me**

We are His children

Each of us precious to Him

**And His love will
surround us**

If we follow Him

**Because the Lord
loves me**

**My heart's filled
with peace**

Because the Lord loves me

My faith can increase

When I do His will

Heaven's closer to me

**Because the Lord
loves me**

**Because the Lord
loves me**
