

Long ago the Father

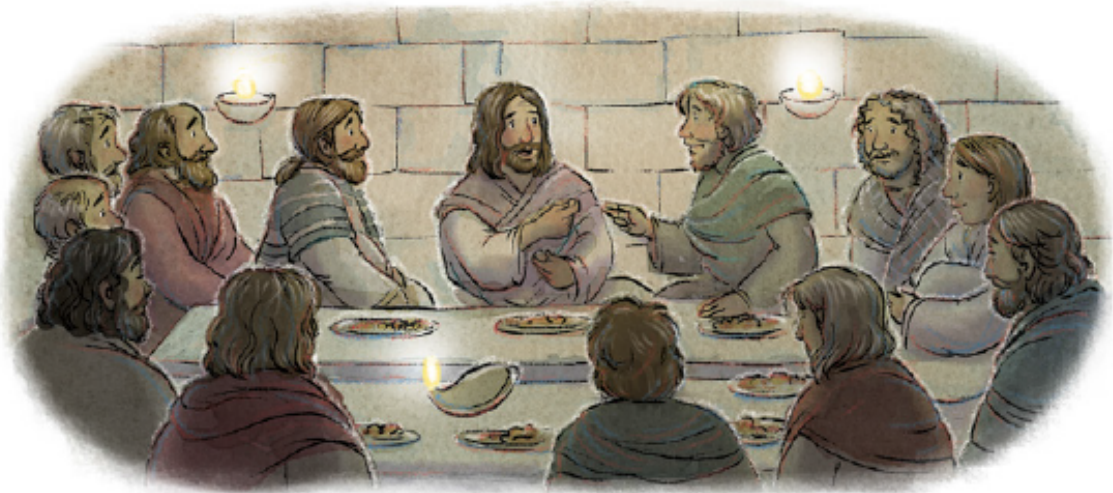

Sent His chosen Son

**His pow'r and might
would be a light**

**To each and ev'ry
one**

He was our example

A guide for all to see

**He showed the way,
then turned to say,**

“Come follow me”

**Follow His light
Follow His way**

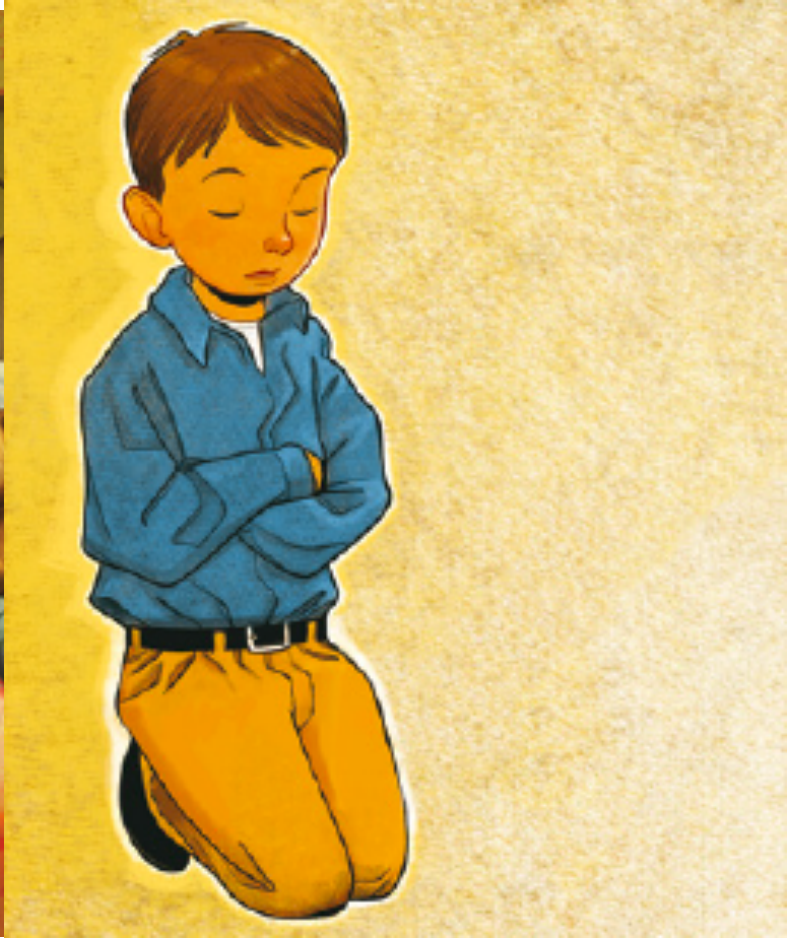

**Try to be just as He
was in ev'ry way**

Follow the truth

Follow the right

Work and pray ev'ry day

And follow His light

I am His disciple as in days of old

**Each choice I make
for Jesus' sake**

**Will bring me joy
untold**

I will seek His spirit

To guide me from above

**I'll learn through
Him**

And follow Him

I'll feel His love
