

**God's Love**

**by**

**Shawna Edwards**

**He was there to  
comfort**

**Joseph in a jail**

**He kept Jonah safe  
in the belly**

**of a whale**

# **And he gave Job**

# **Sons and daughters again**

# **And protected Daniel**

## **In the Lion's Den**

**In every Bible story  
I read**

---

**I learn this  
undeniable thing**

**That God's Love is  
wider than the sky**

**And deeper than the  
deep blue sea**

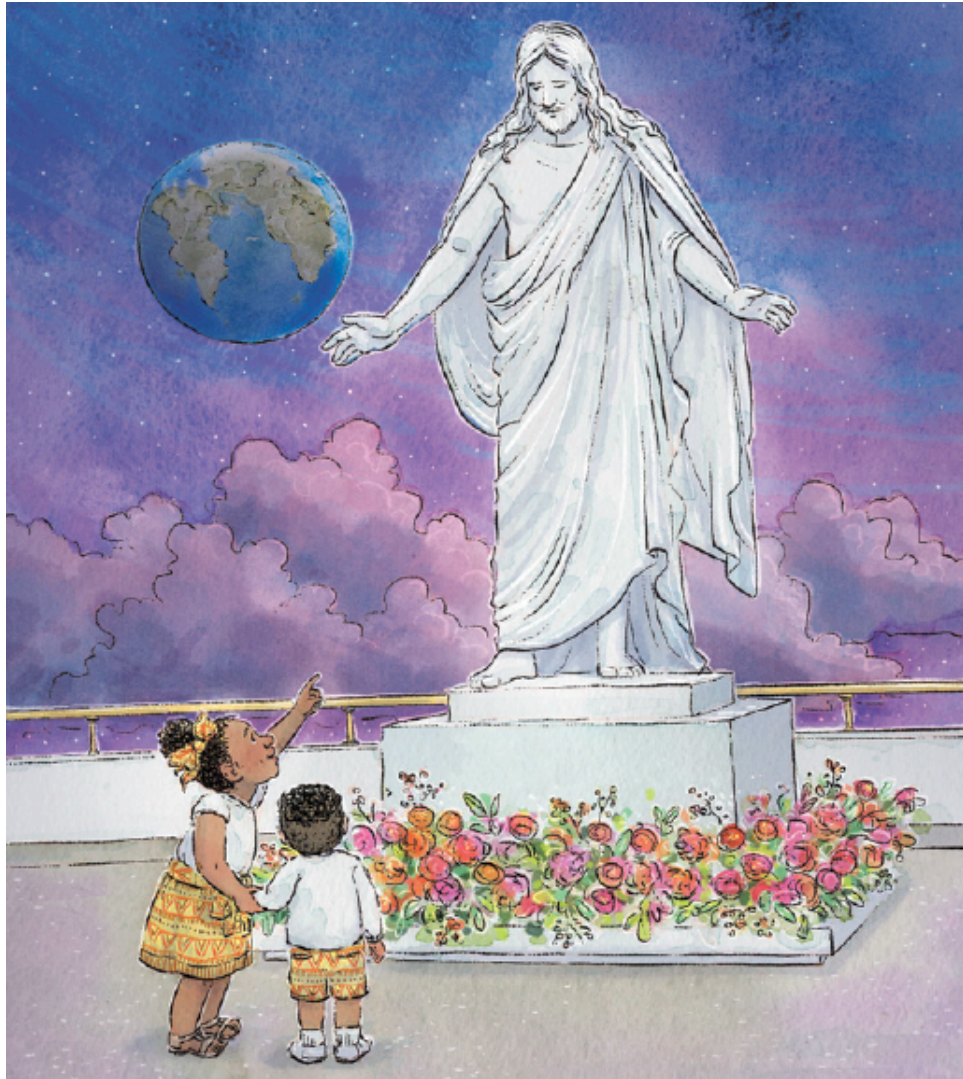

**God's love can light  
the darkest night**

**And fill and aching  
heart with peace**

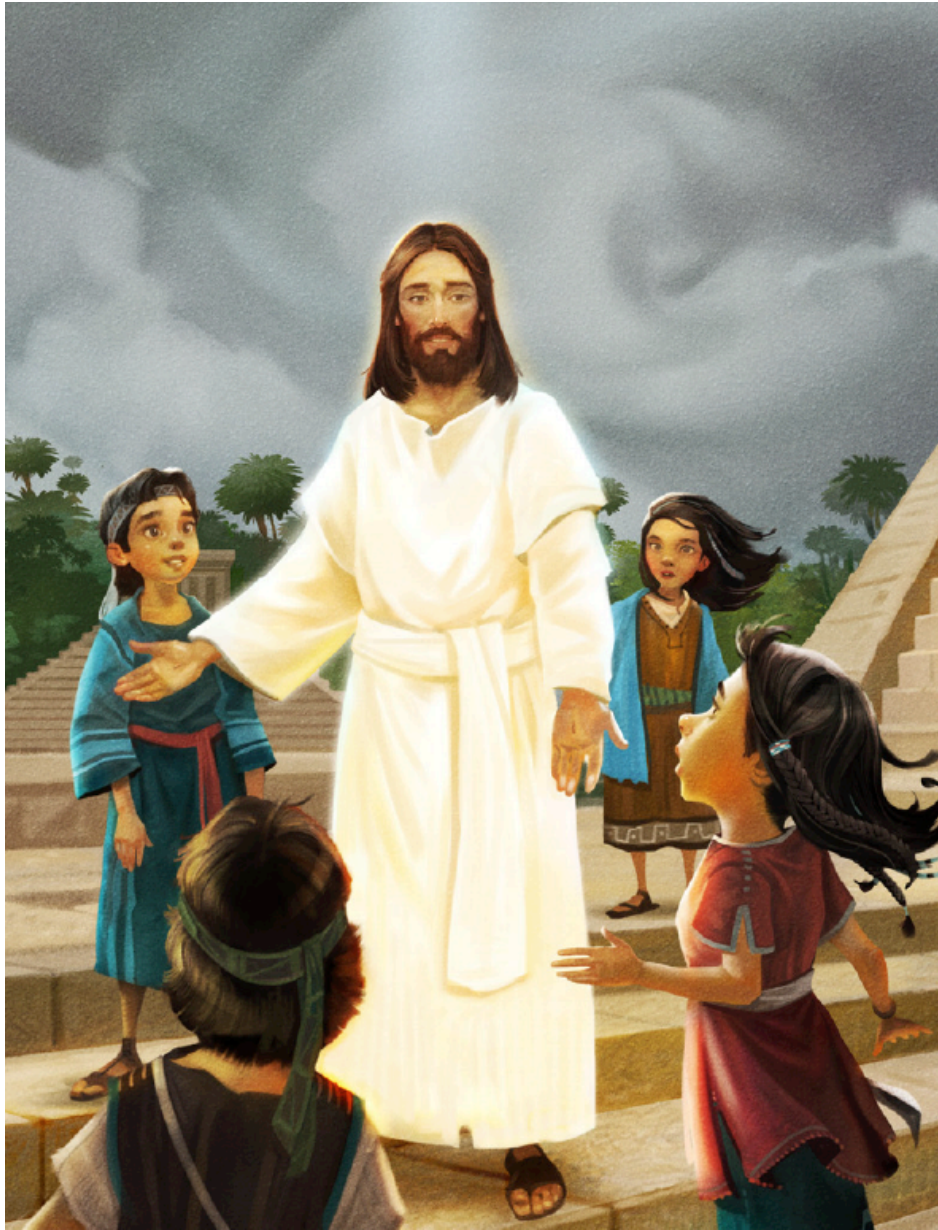

**God's love is  
guaranteed to be**

**Unchanging through  
eternity**

# **Just as God loved**

# **Joseph, and Jonah, and Job**

# I know He loves me

# **He blessed Hannah with a son**

# **When she was old**

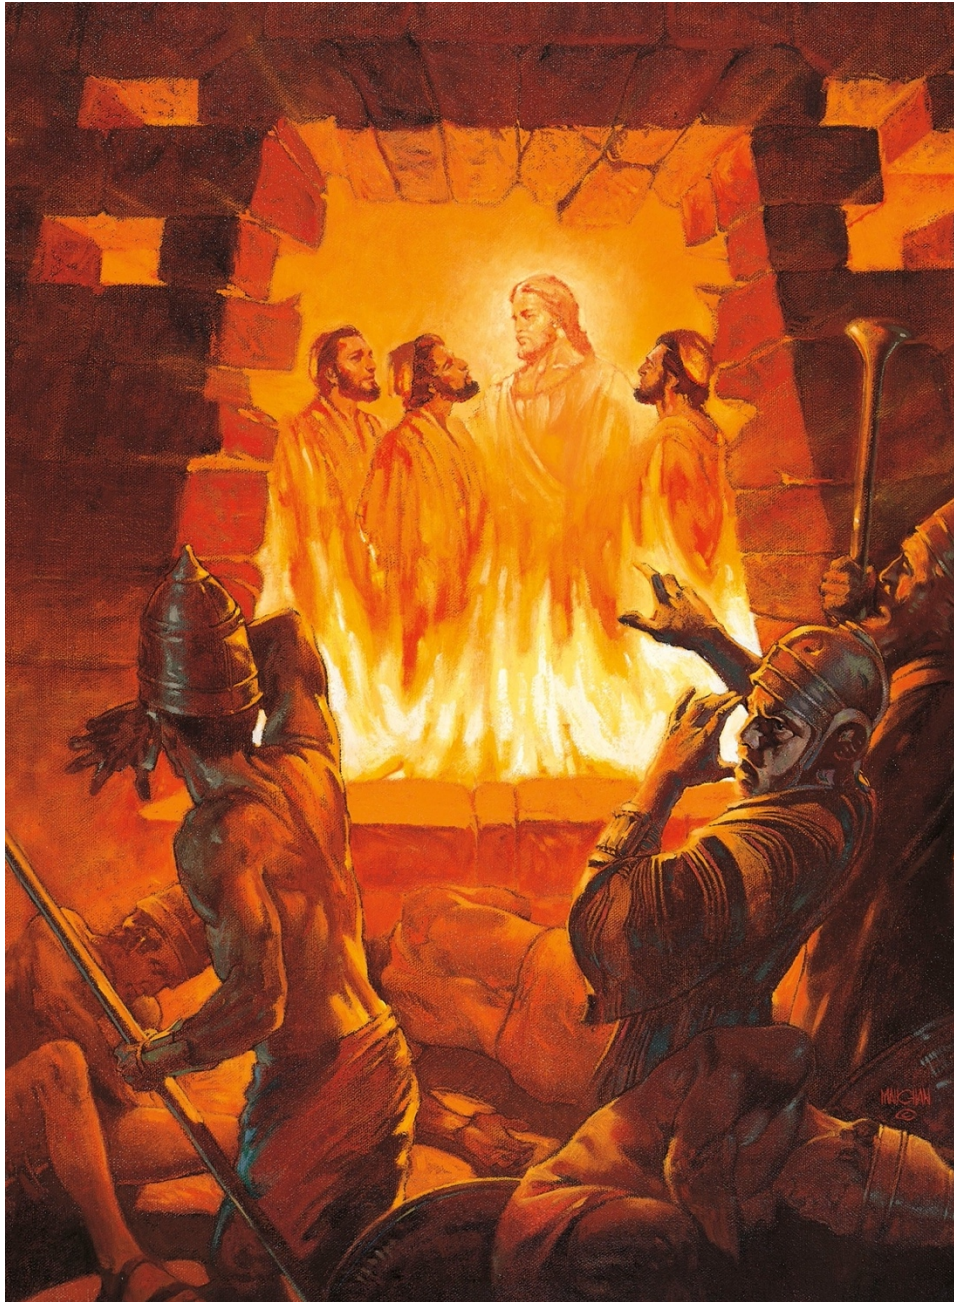

# He led Ruth to find

# a new family and home

# **And He cooled the fiery furnace**

## **We know**

# **For Shadrach, Meshach**

# **And Abednego**

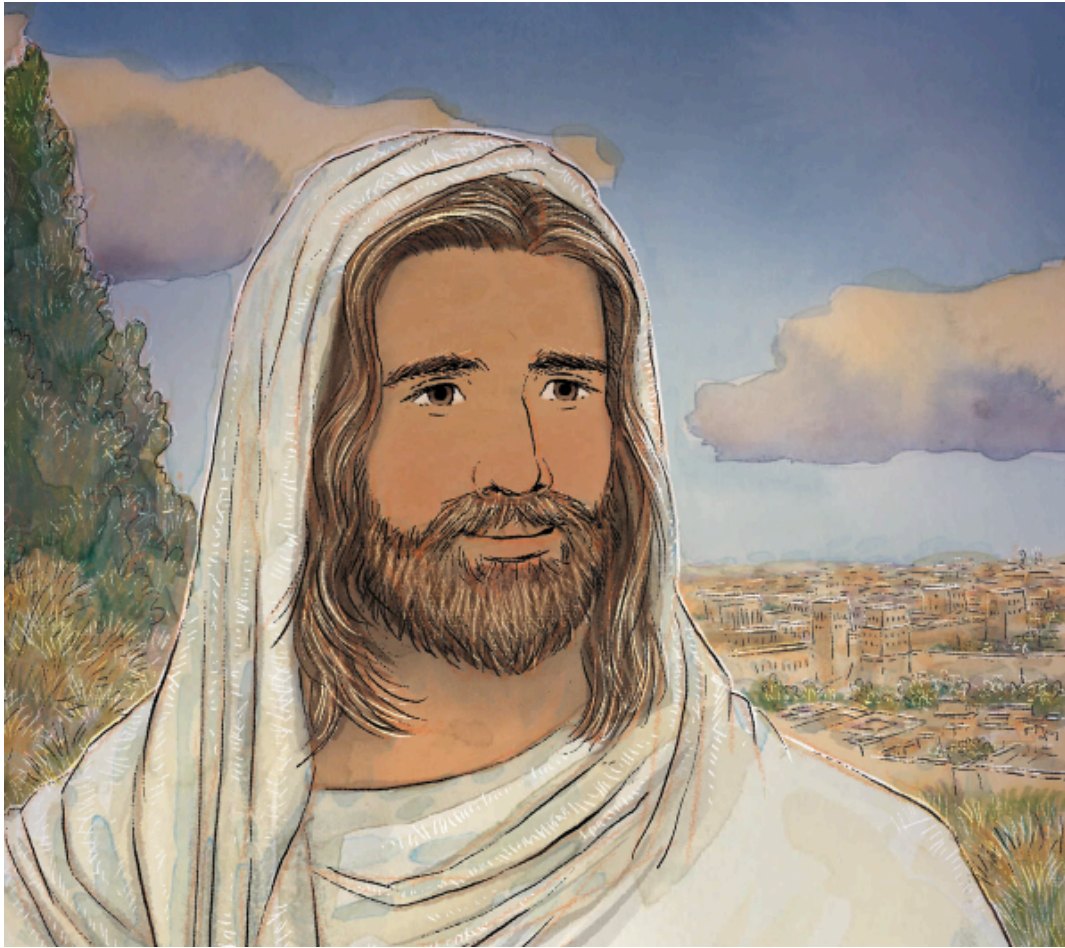

**In every Bible story  
I read**

**I learn this  
undeniable thing**

**That God's Love is  
wider than the sky**
