

**The temple is a holy
place**

**Where heaven
touches earth**

**A rev'rent place, a
hallowed space,**

**Where we do the
Savior's work**

**I'll stand in holy
places**

**With a heart that's
firm and true**

**Until Christ returns and
makes all the world**

Holy, clean, and new

A home can be a holy place

To learn of God
above

A prayerful place to seek His face

Where we grow in
faith and love

**I'll stand in holy
places**

**With a heart that's
firm and true**

**Until Christ returns and
makes all the world**

Holy, clean, and new

My heart can be a holy place

When all around is
dim

A peaceful place of hope and grace

Where the Spirit shines within

**I'll stand in holy
places**

**With a heart that's
firm and true**

**Until Christ returns and
makes all the world**

Holy, clean, and new
