**I feel God's light
shining in me**

**I feel His love so
strong**

**I want to share with
those around me**

**His light will change
the world**

Joy, peace, sunshine, love

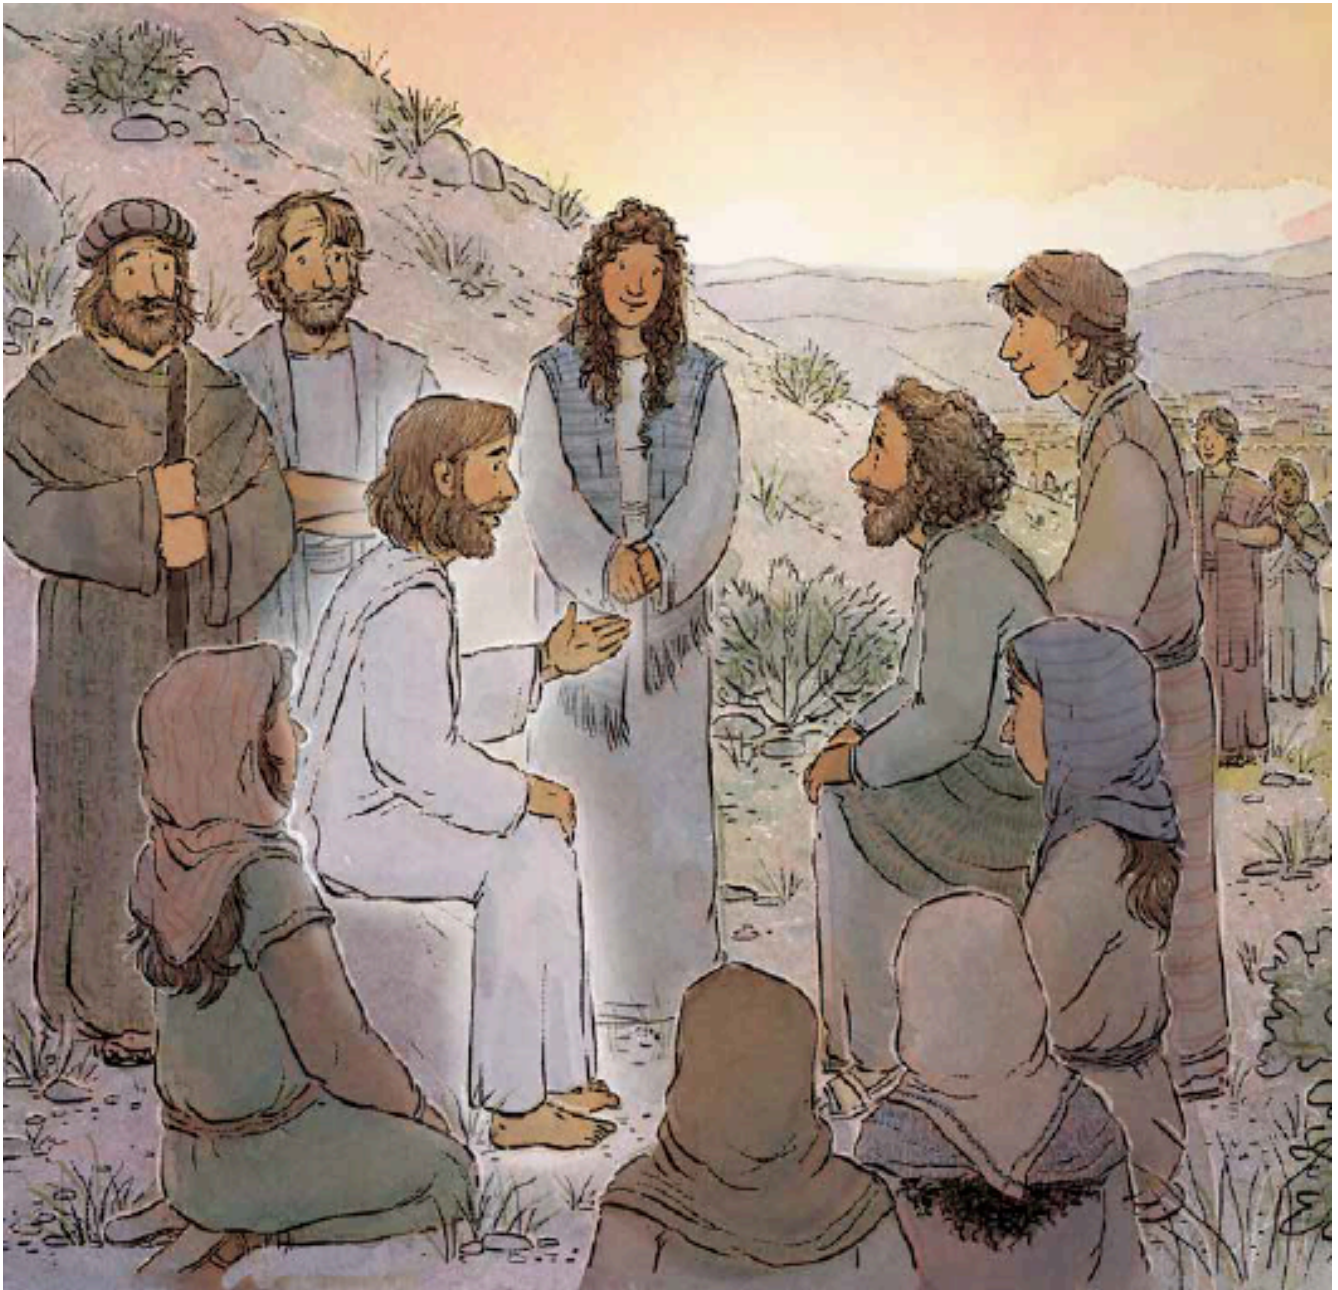

These are the things

The Holy Ghost brings

And that's how God speaks to me

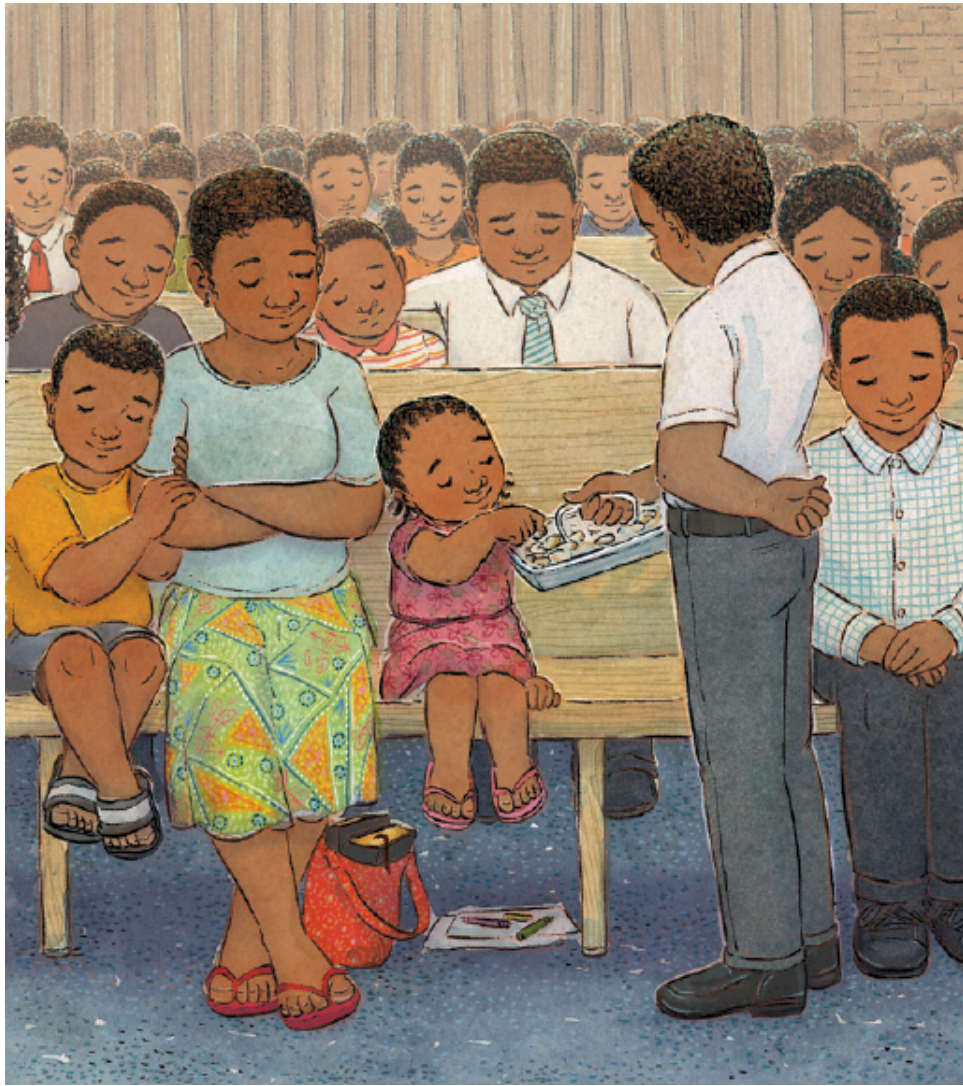

**I feel God's light
shining in me**

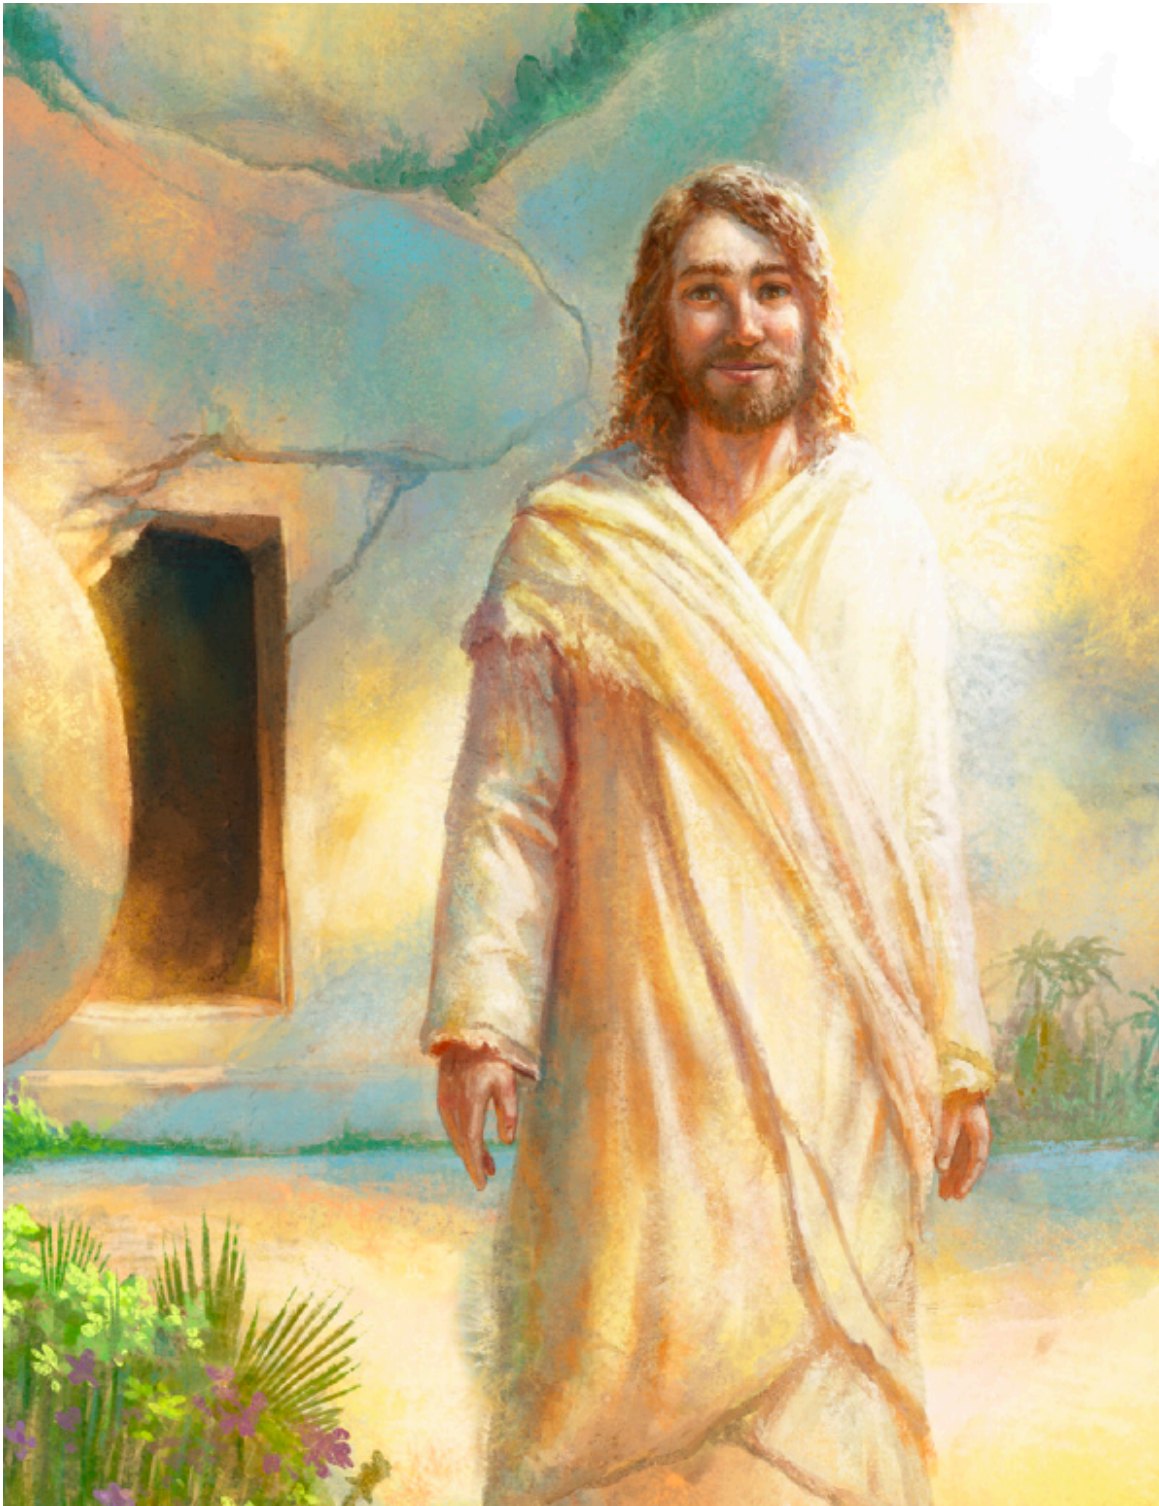

**A rushing of trust
and truth**

Holding a new understanding

**inspiration comes in
view**

Faith, hope, knowledge, power

These are the things

the Holy Ghost brings

And that's how God speaks to me

**I feel God's light
shining in me**

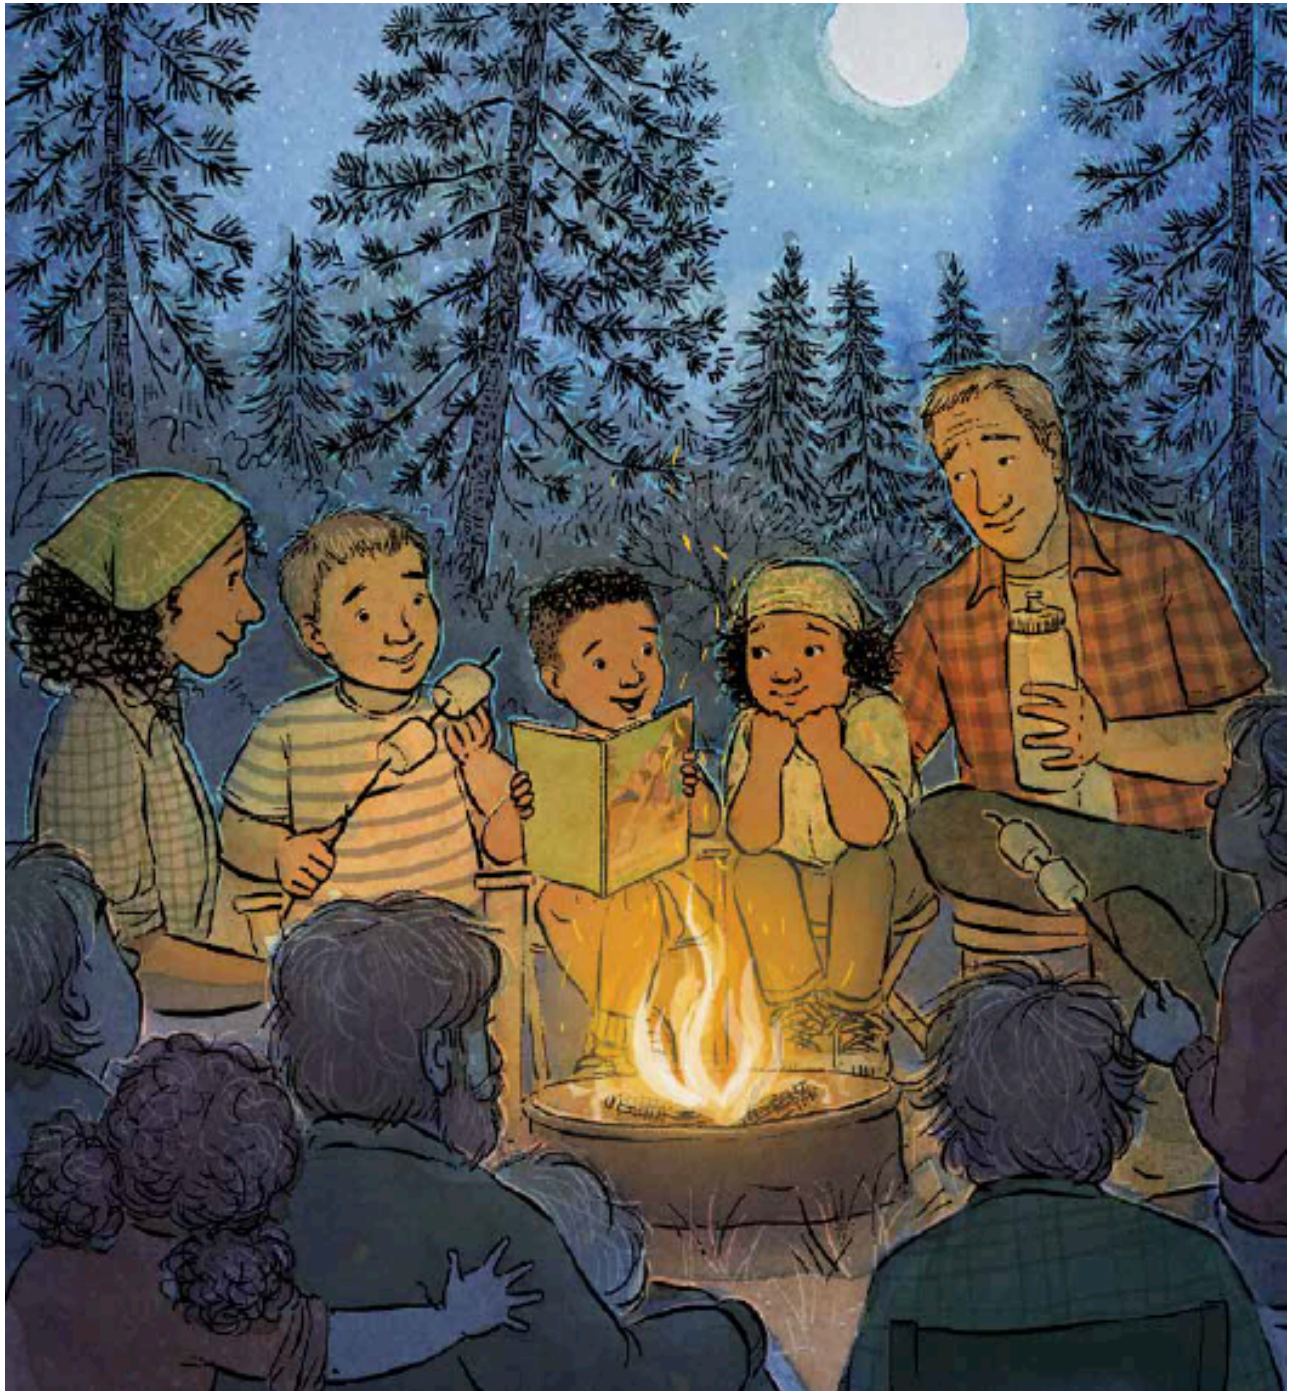

**With courage to face
my fears**

**My thankful heart
Overwhelms me**

**My eyes are filled
with tears**

Still, sure, quiet, grace

These are the things

the Holy Ghost brings

And that's how God speaks to me

Pure love, perfect peace

These are the things

**that Jesus Christ
brings**

To those who seek patiently
