

**I have two ears to
hear the truth**

**Two eyes to see
the good**

**I have two feet to
carry me**

**To places where
they should**

**I'll try to use
them wisely**

**In my work and
play**

I thank my Heav'nly Father

**For making me
this way**

**I have two lips to
speak kind words**

**Two hands to
work for me**

All these loving helpers

Heav'nly Father
gave to me
