I heard the prophet speak today. He spoke of Jesus Christ.
He said that I should always pray and live a righteous life.
I heard the prophet speak today.

I felt his words. Did you?
I know that he was sent by God
And what he says is true
Now Joshua, and Joseph Smith,
And Paul, and Nephi, too,
Were called by God, who spoke to them
And told them what to do
Some built a ship
Some healed the sick
Some turned the night to day
But ev’ry prophet knows the Lord
And teaches us His ways
I heard the prophet speak today

His words were sure and true
He said, “Serve God and you’ll be blessed.”
In righteous things you do
God’s chosen prophet leads our church
And teaches us today
I’ll listen as God speaks through him

And willingly obey
