

**When I'm sad or I'm
lost**

**When my heart is
broken**

**When my friends
turn away**

**Or harsh words are
spoken**

**There's a place I
can turn**

**When I need
heaven's wisdom**

**I can speak from my
heart**

**An I know He will
listen**

**There's a place I
can turn**

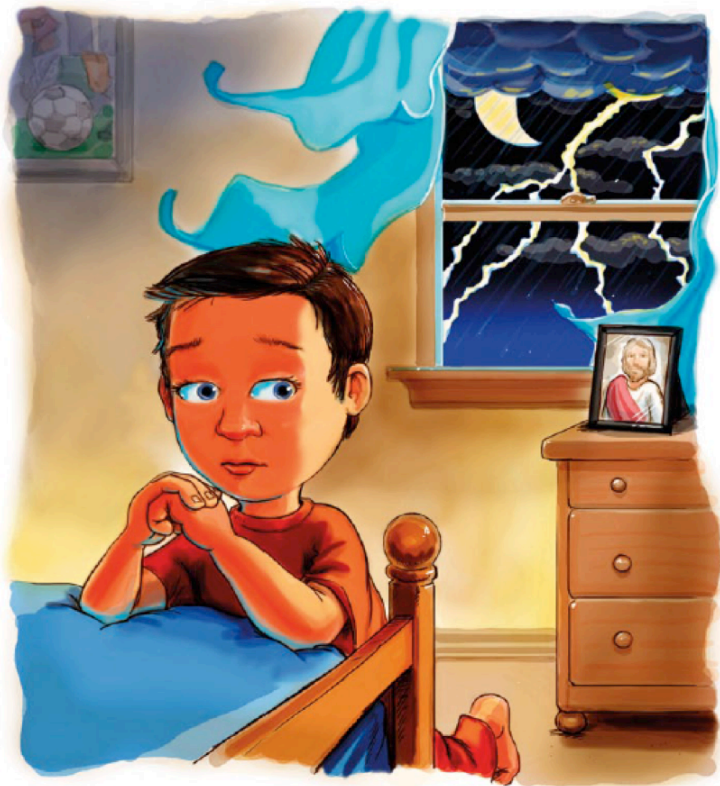

**When I need
heaven's wisdom**

**I can speak from my
heart**

**And I know He will
listen**

**I will say a prayer
and God will hear**

**He's always there
beside me**

**He will rescue me,
He'll comfort me**

**And always gently
guide me**

**Each time I pray I
feel his love**

**A quiet peace
surrounds me**

**For in my heart I
seem to feel**

**His loving arms
around me**
