I heard the prophet speak today
He spoke of Jesus Christ
He said that I should always pray
And live a righteous life
I heard the prophet speak today.

I felt his words.

Did you?
I know that he was sent by God

And what he says is true
Now Joshua, and Joseph Smith,

And Paul, and Nephi, too,
Were called by God, who spoke to them and told them what to do.
Some built a ship
Some healed the sick
Some turned the night to day
But ev’ry prophet knows the Lord
And teaches us His ways
I heard the prophet speak today.

His words were sure and true.
He said, “Serve God and you’ll be blessed.”
In righteous things you do
God’s chosen prophet leads our church and teaches us today.
I’ll listen as God speaks through him

And willingly obey
