# I love the Book of Mormon

**It is the word of God**

# Preserved by ancient prophets

# Who trusted in the Lord

# I love the Book of Mormon

---

**It is my sacred  
guide**

# It tells of life eternal

# It testifies of Christ

# Moroni made a promise

**To those who seek  
the truth**

**If we will read and  
ponder**

**And ask of God in  
faith**

# **The Holy Ghost will witness**

**The Book of  
Mormon's true**

**It offers peace in  
this life**

**And joy eternal too**
