

It's joyful to live the gospel!

So joyful I want to sing!

It's joyful to

Keep the commandments!

And joyful

**The peace they
bring!**

**It's joyful to follow
Jesus**

**Our Savior and
truest friend**

**Who is guiding us
with His love**

**Back to our home
above**

I'll follow Him with Joy!

**It's joyful to share
the gospel!**

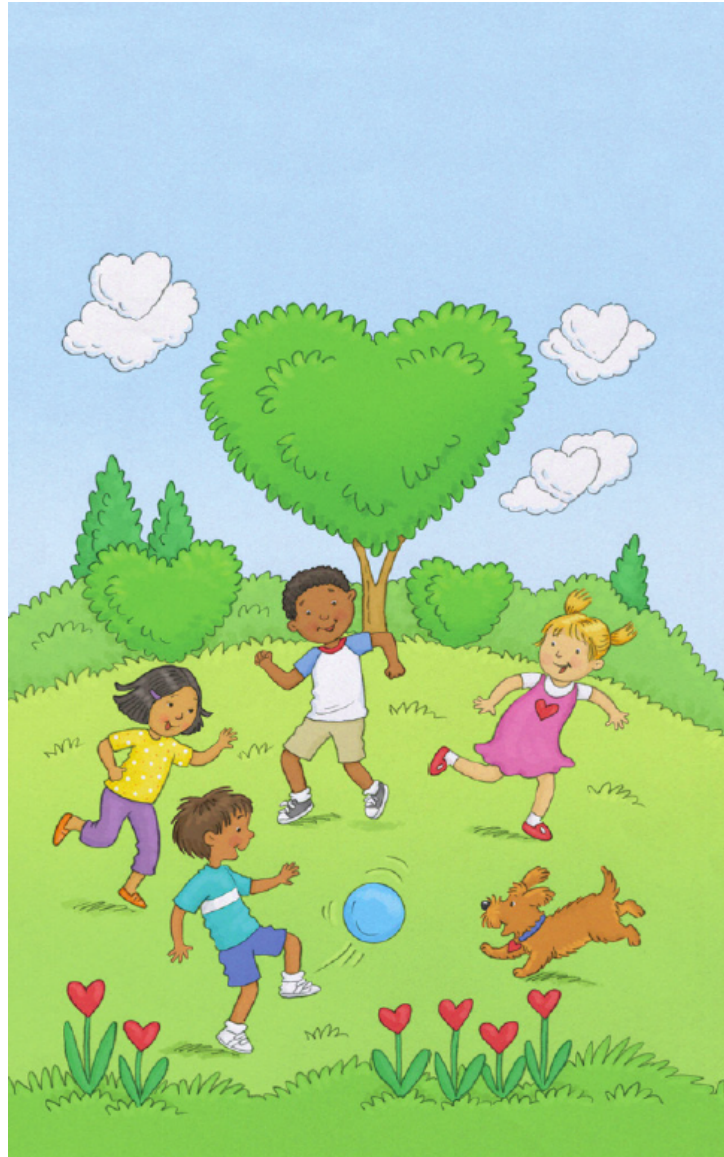

**So joyful I want to
sing!**

It's joyful to teach the commandments!

And joyful

The peace they bring!

**It's joyful to tell of
Jesus**

**Our Savior and
truest friend**

**Who is guiding us
with His love**

**Back to our home
above**

I'll follow Him with Joy!
