

# Joseph had a question

So he read God's  
word

**There he learned  
that he could**

**Always ask the Lord**

# **Joseph needed wisdom**

**So he knelt to pray**

**Trusting God would  
answer him**

**And show the way**

**In a light above him**

**Brighter than the  
sun**

# Joseph saw our Father

# And His Holy Son

**When I'm needing  
wisdom**

**I can kneel and  
pray**

# God, who answered Joseph

**Answers me today**

**I may not see a  
vision**

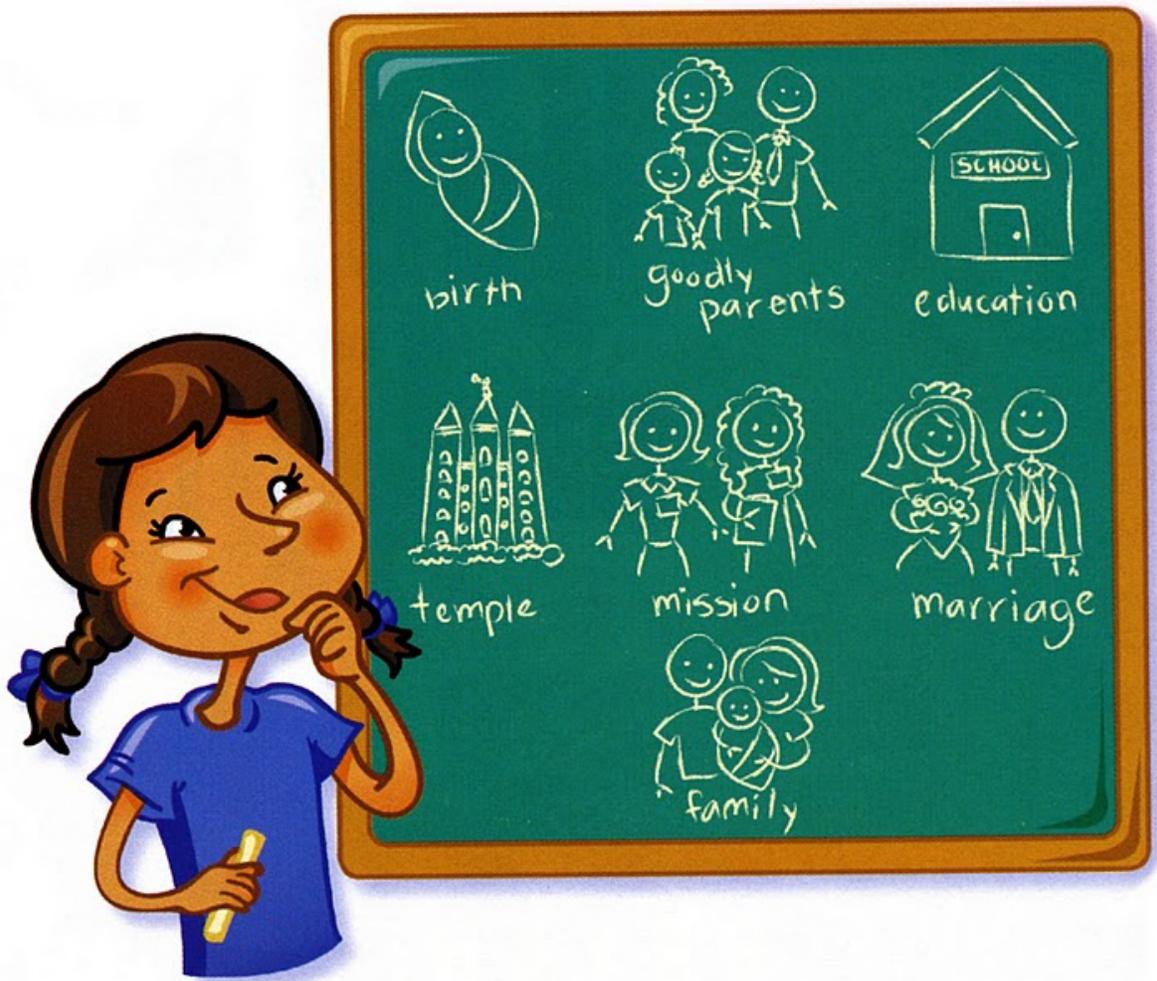

**But I can know and  
feel**

# **That God our Heav'nly Father**

**And His Son are  
real**

# They always love and hear me

# I know this is true

# Joseph prayed in faith

**And I can too**
