

Little One

By

Rebecca Woodworth

New Era Dec 1986

**Little One, sleeping
so peacefully**

In a stable so bare

Not a sound in the air

**Little One, master of
all the world,**

**Did you know that
God's plan for you**

**Will save all men
some day?**

Little One, Little King,

**The love of God is
my quest**

All my life Little One
