

**When I think of the  
blessings**

**I have ev'ry day**

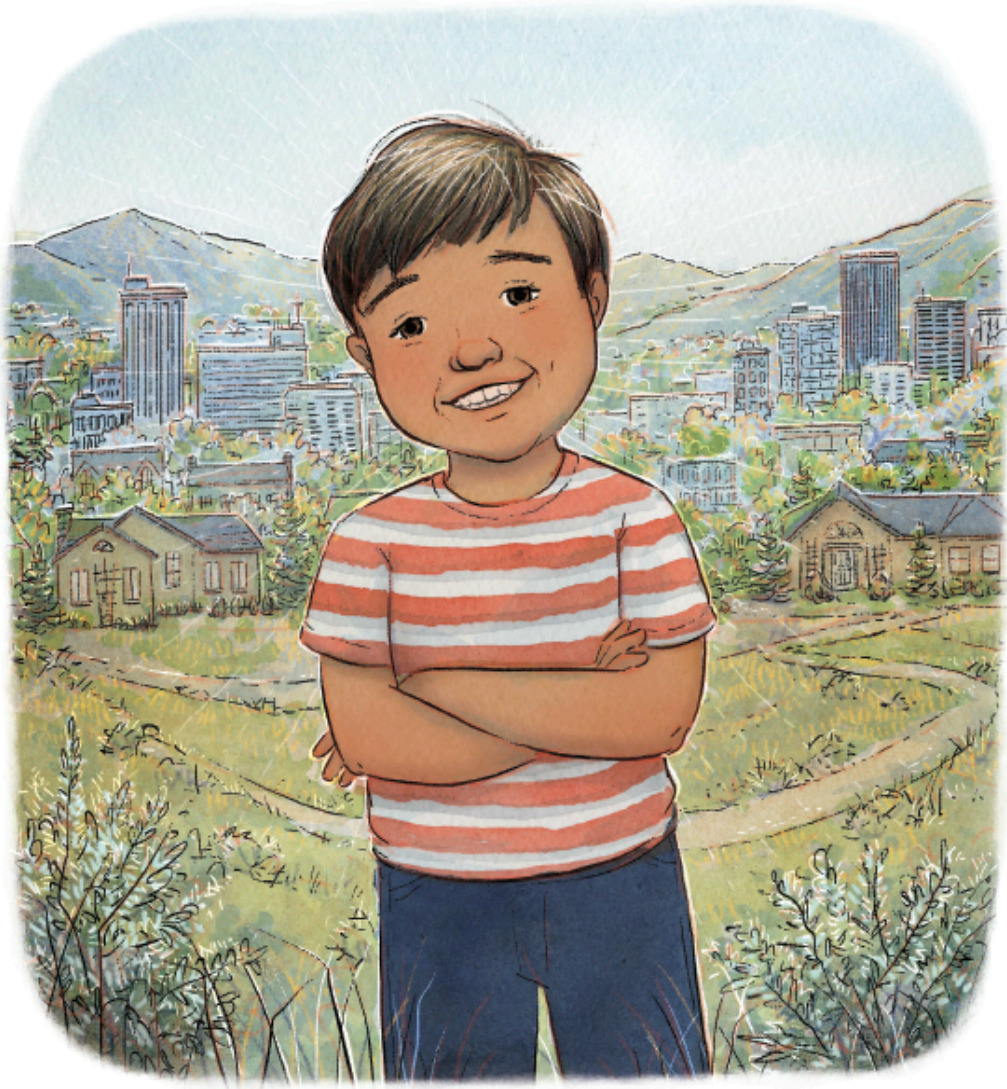

**I feel very thankful**

**As I kneel to pray**

**And I tell Heav'nly  
Father**

**That I'm very sure**

# Of things I am most thankful for

**“A mother, a father,**

**A friend to play  
a sunny day**

# The gospel light shining bright

# Thank Thee, Lord,” I say
