

I know that my Redeemer lives

Triumphant Savior, Son of God

Victorious over pain and death

**My King, my Leader,
and my Lord**

**He lives, my one sure
rock of faith**

**The one bright hope
of men on earth**

The beacon to a better way

The light beyond the veil of death

**Oh, give me thy
sweet Spirit still**

**The peace that comes
alone from thee**

**The faith to walk
the lonely road**

**That leads to thine
eternity**
