**The scriptures make
a promise**

**That I know to be
true**

Draw near unto Jesus

And He'll draw near to you

**For if I seek and if I
knock**

**He'll always be
right there**

**To listen and to
understand**

**To answer ev'ry
prayer**

I will seek Him

I will pray

**I will do my best
each passing day**

**To know Him once
again**

My Savior, my friend

**And so I'll make this
promise**

**To always think of
Him**

**He knows and loves
me perfectly**

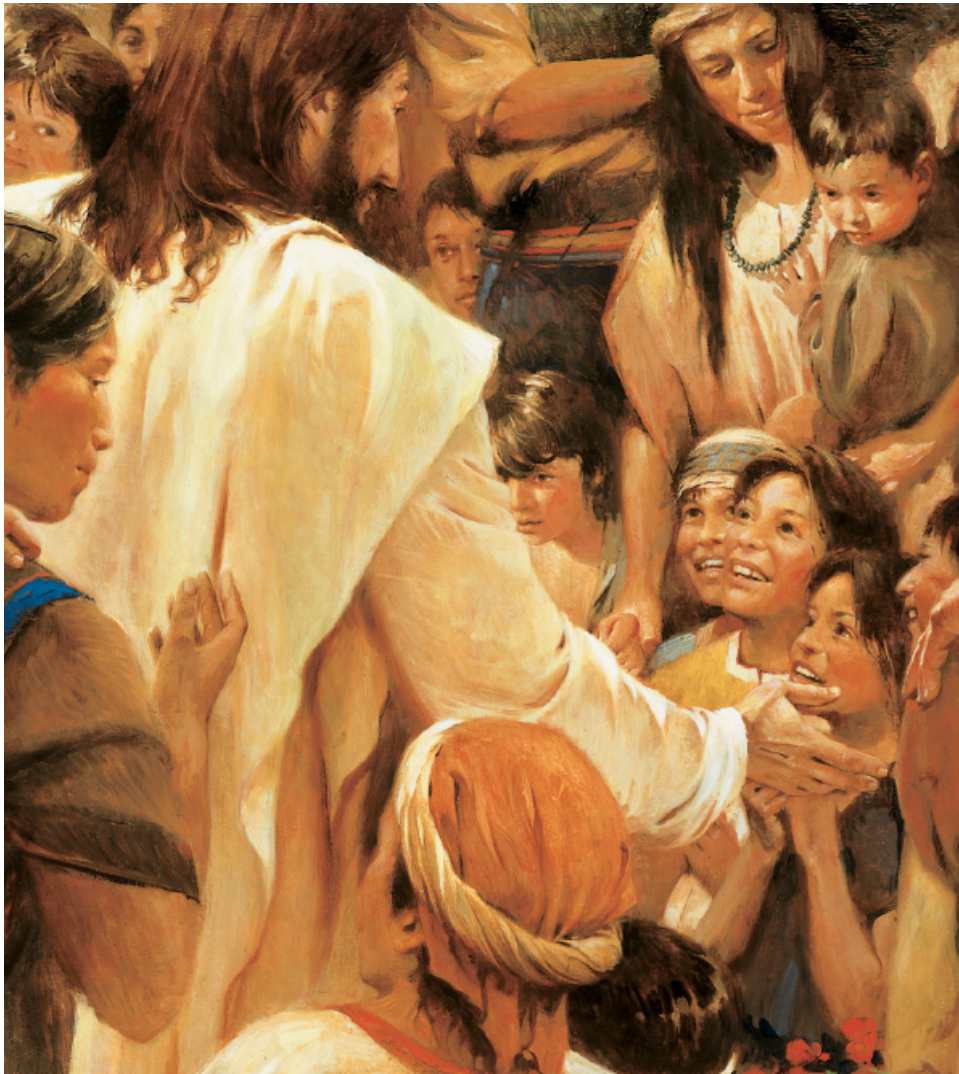

**He'll be my truest
friend**

**And as I follow
His commands**

**And take upon His
name**

**He'll always be a
friend to me**

**His love will never
change**
