

Searching for the Savior

By Blake Gillette

Searching for love
Searching for peace

Searching for
happiness

Searching for food Searching for home

**Some place to call
their own**

**There are those in
need**

**Standing right next
to me**

**I'll be His hands
I'll be His heart**

**I'll be His smiling
face**

And I'll do my part

**To share His love
and grace**

**One by one
We'll help each one**

**Searching for the
Savior today**

Searching for truth
Searching for light

Something
unchangeable

Jesus is real
Jesus is bright

He is the way
truth and light

**There are those in
need**

**Standing right next
to me**
