

Starlight

Music by Monica Scott

Lyrics by

If I was a shepherd

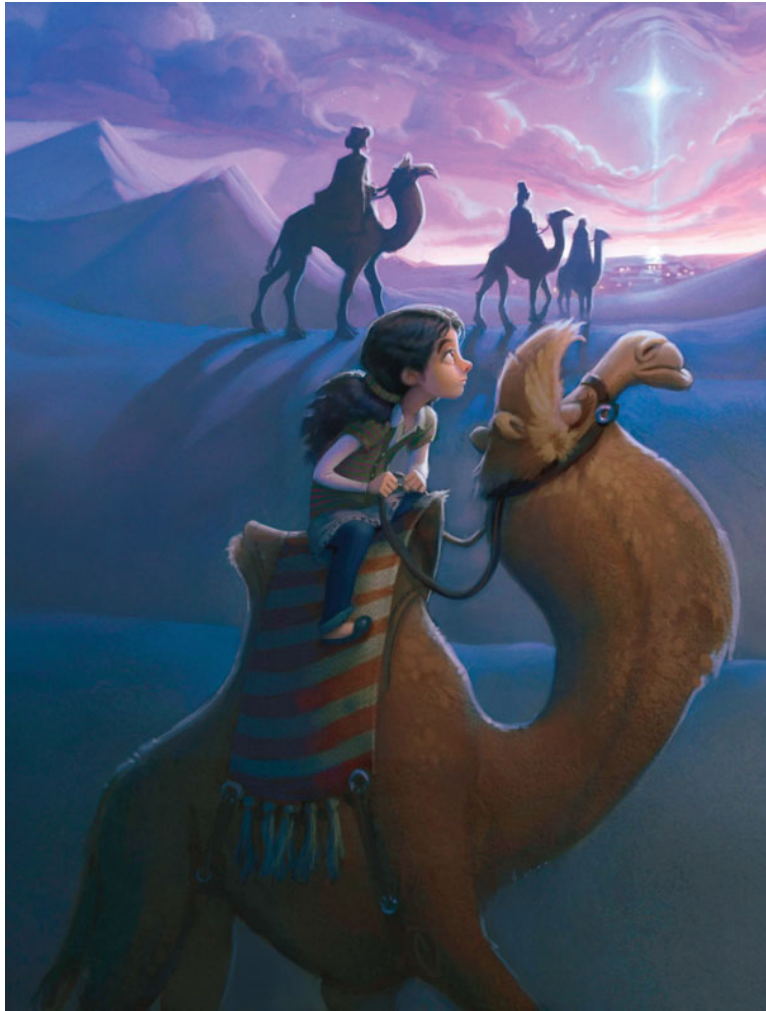

On that night long ago

When the new star appeared

And started to glow

**I would follow that
star**

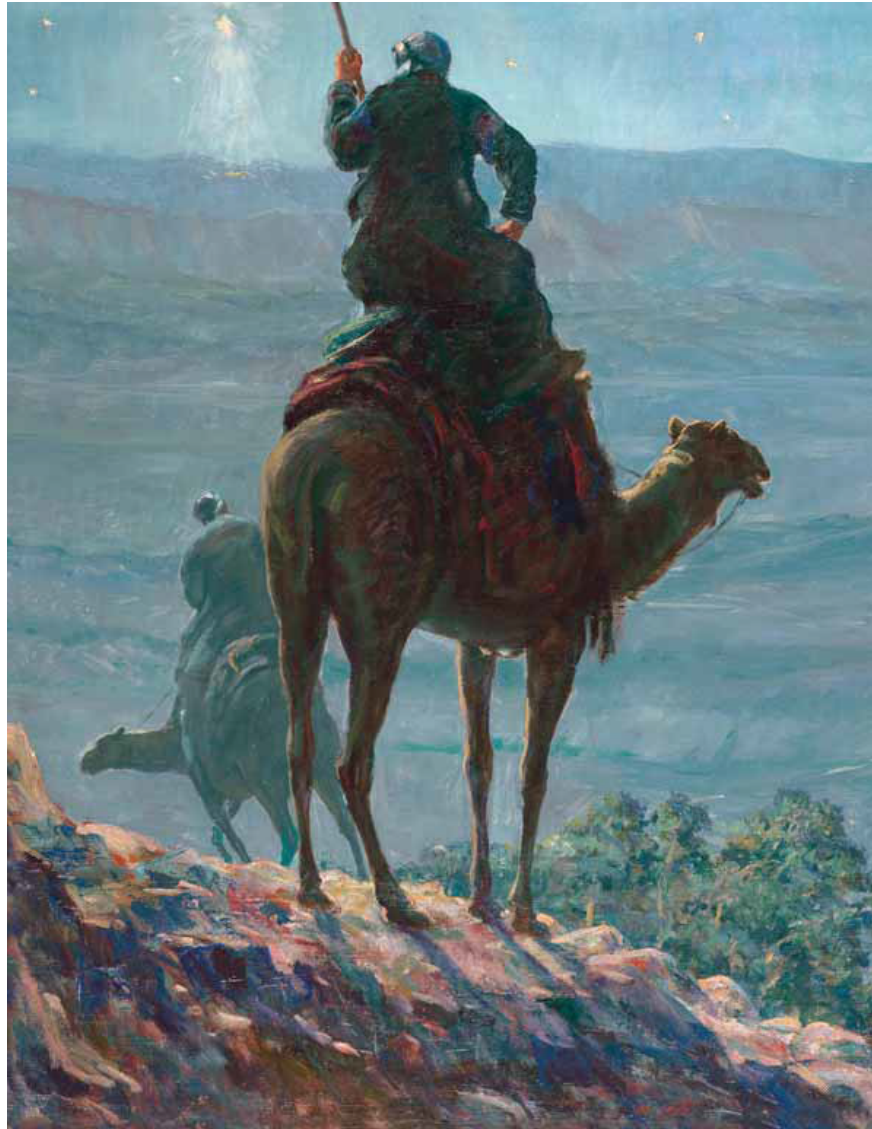

**That would never
grow dim**

**I would follow that
star**

**It would lead me to
Him**

**Starlight shining
bright**

Lighting my way

**His light shining
bright**

Forever will stay

**I'll be like that
shepherd**

**On that night long
ago**

Who trusted the light

And decided to go

**I will follow His
light**

**that will never grow
dim**

**I will follow His
light**

**That will lead me to
Him**

Starlight shining bright

Lighting my way

**His light shining
bright**

Forever will stay

Starlight shining bright

Lighting my way

**His light shining
bright**

Forever will stay
