Thanksgiving Song

Words and Music by Rock E. Oakerson

1. Heavenly Father, I'm thankful to Thee For
   He and His wonder, the earth and the sea. For
   Teacher who helps me develop my mind. The
   Family who love me and help me to be. The
   Kind of a child who'll again live with Thee.

2. Each day I'm grateful for friends who are kind And
   For
   Teachers who help me develop my mind. The
   Lord in His goodness helps me every day. I'll
   Show Him I'm thankful by living His way.
