

# Heavenly Father

**I'm thankful to  
thee**

# For life and its wonders

# the earth and the sea

**For family who love  
me**

**and help me to be**

# The kind of a child

who'll again live  
with Thee

**Each day I'm  
grateful**

**For friends who are  
kind**

**And teachers who  
help me**

**Develop my mind**

# The Lord in His goodness

**Helps me every day**

**I'll show Him I'm  
thankful**

**by living His way**
