**A covenant was given
a long time ago**

**To Abraham, Isaac
and Jacob**

**God promised to
bless them**

**and their families
we know**

**If they would be
steadfast**

and faithful

**As I strive to do
God's will every day**

**Like Jacob of old I
can say**

**"Surely the Lord is
in this place"**

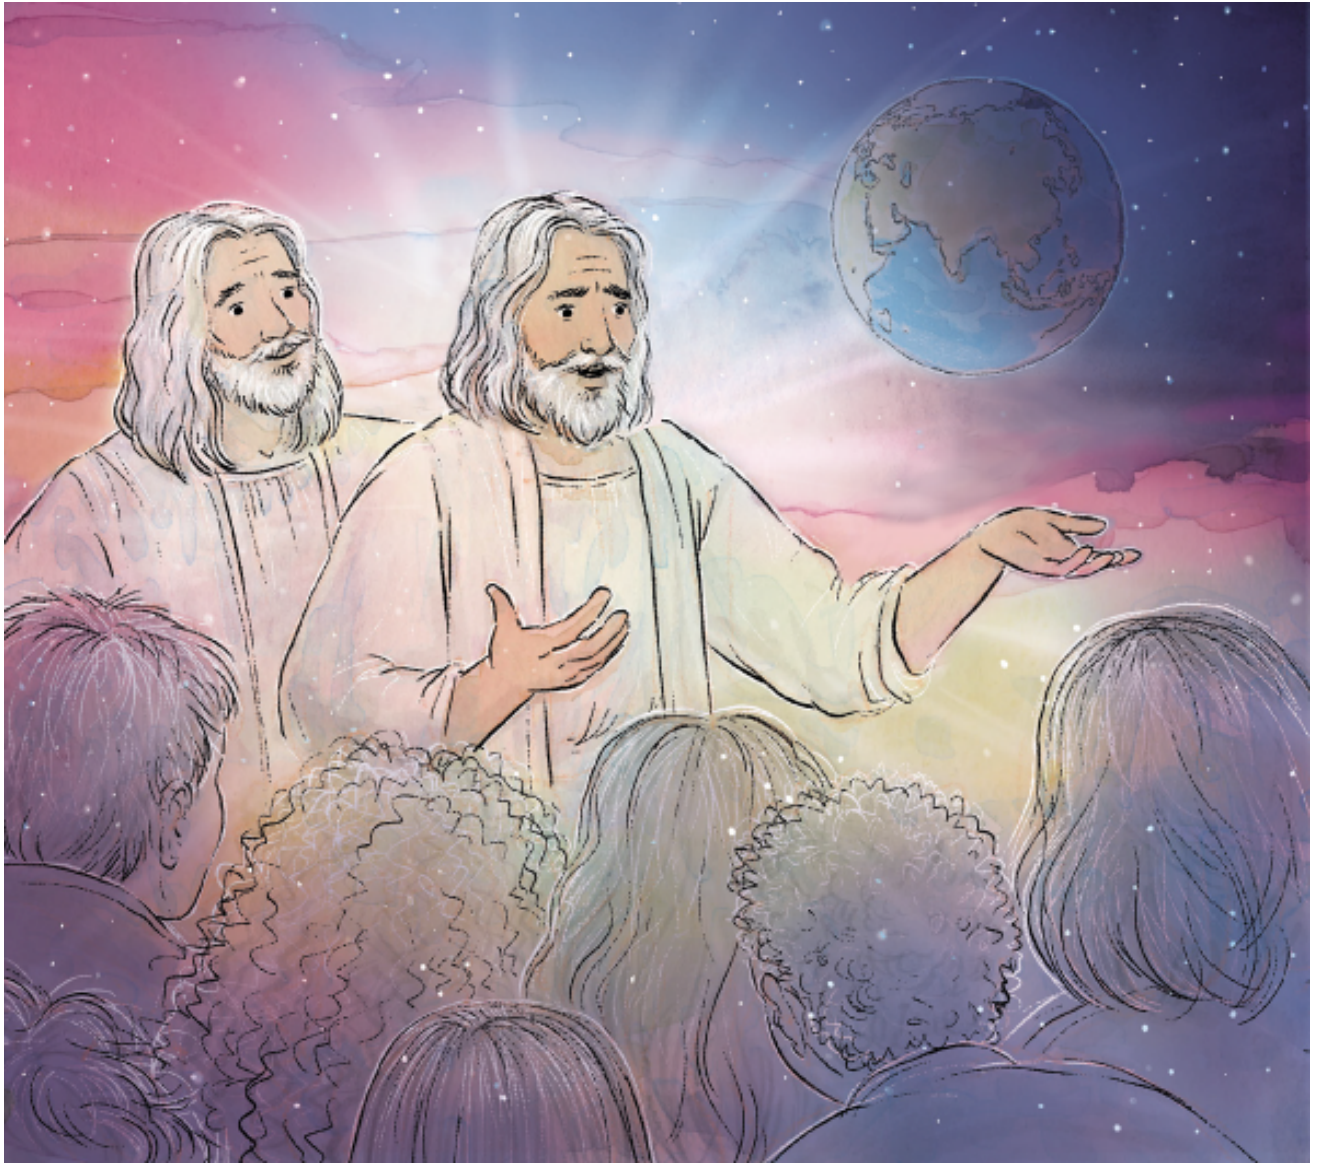

**Surely He'll bless me
with His grace**

**And keep me forever
safe in His care**

**Wherever I am He'll
be there**

**A covenant comes
from**

the Lord up above

A promise that goes both directions

It binds us to Him

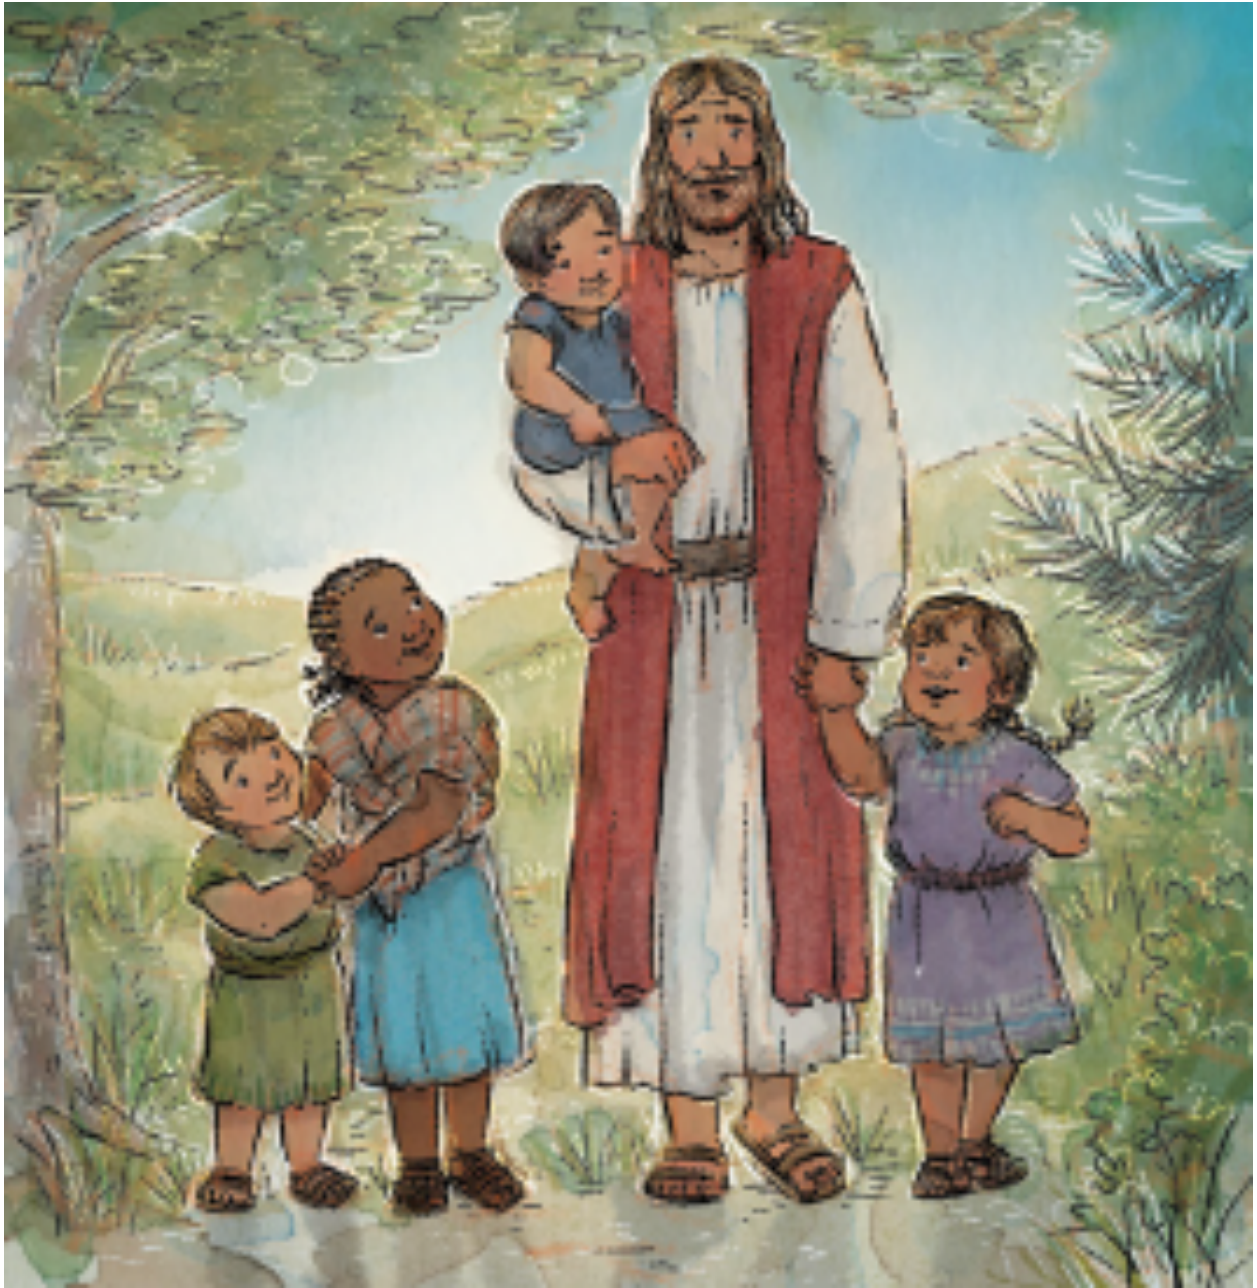

**and His unfailing
love**

**And step by step
leads us to heaven**

**As I strive to do
God's will every day**

**Like Jacob of old, I
can say**

**"Surely the Lord is
in this place"**

**Surely He'll bless me
with His grace**

**And keep me
forever safe in His care**

**Wherever I am,
He'll be there**

**He'll keep me forever
safe in His care**

Wherever I am He is there
