

# **The Creation Song**

**By**

**Shawna Edwards**

# **In the first verse of the Bible**

**We read these  
wondrous words**

**In the beginning  
God created**

**The heaven and the  
earth**

**Every time we look  
around us**

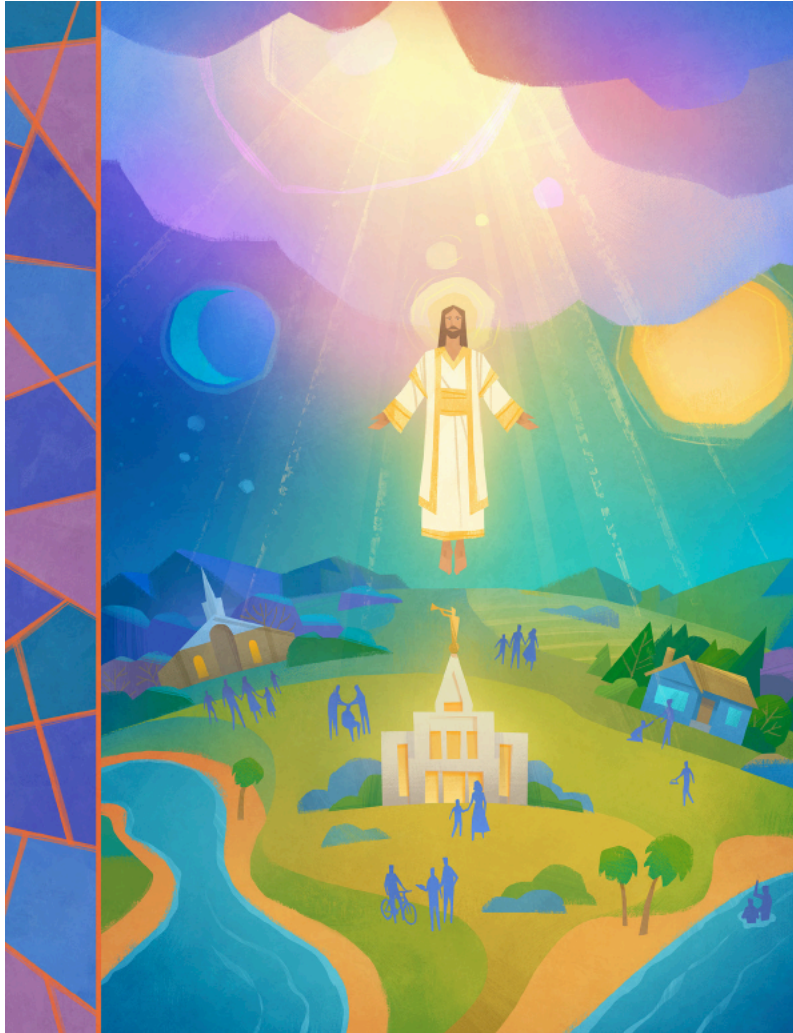

**We can see His love  
displayed**

**In every single thing  
He made**

# **He made the night and the day**

# **The sun and the rain**

# The mountains and the morning dew

# He made the rivers that flow

# And the flowers that grow

# The fireflies and fishes, too

Oh, all the fruit on  
the trees

# Every color you see

# The hawks and the hippos

# And the honeybees

**And last, but not  
least**

**He made Adam and  
Eve**

# And then the world was complete!

# **Every seed and stone and season**

# **Show more of God's design**

# **Stunning views and sweeping valleys**

# **He made with us in mind**

**We can smell the  
grass beneath us**

**We can hear the  
birds above**

**In all these things  
we feel His Love**
