**I have a testimony
sweet and true**

**That God the Father
lives**

and He loves you

Jesus is the way

the truth and light

**Our only way to
reach**

**Our loving Father's
side**

**The scriptures give
me power**

**Faith in Jesus brings
me light**

**The spirit helps me
be careful**

**and to always know
what's right**

Commandments are for my safety

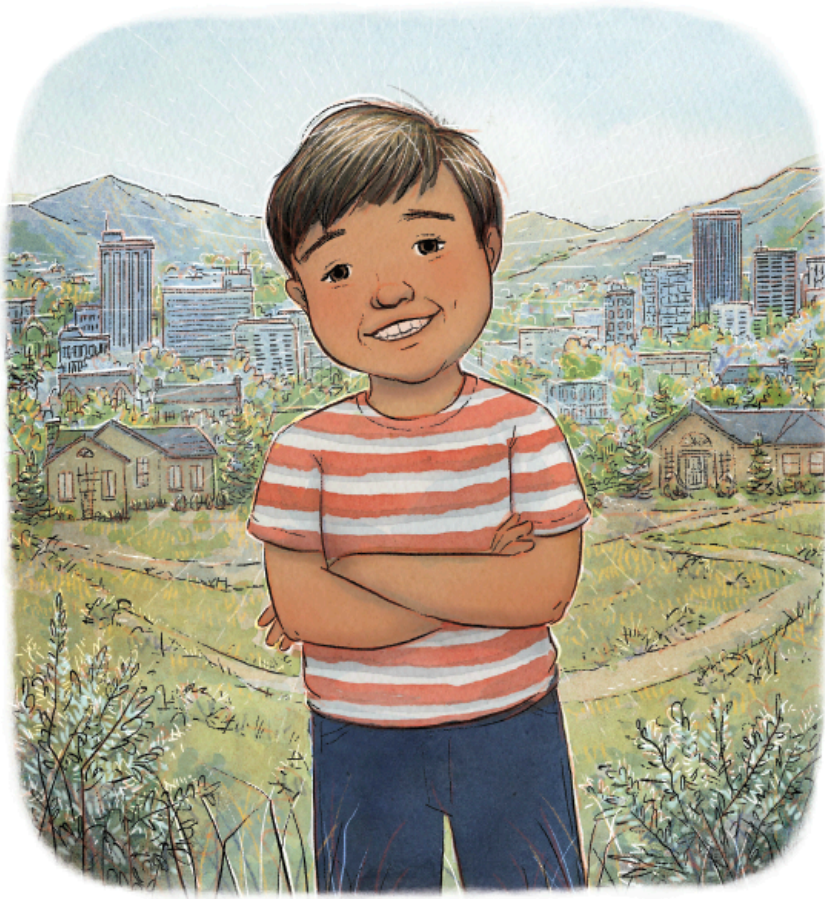

[illegible][illegible]

The gospel is a great foundation

**It helps me to stay
true with love**

**and brings me
salvation**

**Because I know God
lives I want to be**

**a loving friend to
all who are in need**

Jesus is the way the truth and light

**Our only way to
reach**

**our loving Father's
side**

The gospel is a great foundation

**It helps me to stay
true with love**

**and brings me
salvation**
