

**Hands are still,
heart is full**

**As I think about
what I hear**

When I take the sacrament

I can feel the Savior near

**I prepare long
before**

**Sunday morning
comes once again**

I am confident and clean

I've repented of my sins

**In my home, I'll be
kind**

**And invite the Spirit
to stay**

Making Sunday a delight

**Not like any other
day**

**On this day I'll
choose the right**

**And remember Jesus
Christ**

Serve my Savior by the way

That I keep the Sabbath day
