**There comes a day
in a child's life**

**When they decide
which path to take**

**And since I'm choosing
to follow Christ**

**There are sacred
cov'nants I must make**

**I've heard the
stories of Jesus' life**

**Of how He loved and
healed and taught**

**And now I promise
to follow Him**

**Trying to be pure in
deed and thought**

**I take upon myself
His name**

**Always to remember
Him**

**I'll keep the
commandments**

**That He has given
me**

And stand as a witness

For all to see

These are the things

That Jesus asks of me
