

**Shepherds, shepherds
leave your lambs**

**And find the way to
Bethlehem**

**For the Baby
sleeping there**

**Is your Savior good
and fair**

**Wise Men, look up
to the sky**

**For one bright star
to travel by**

**Bring your gold and
precious things**

**Kneel before the
King of kings**

See how Mary holds her Son

Jesus Christ, the Holy One

**Joseph guards with
tender care**

**Peace and gladness
fill the air**

**Stars and angels
shine His light**

**Find the way to
Bethlehem tonight**

Find your way

This holy Christmas night
