Shepherds, shepherds leave your lambs
And find the way to Bethlehem
For the Baby sleeping there

Is your Savior good and fair
Wise Men, look up to the sky
For one bright star to travel by
Bring your gold and precious things

Kneel before the King of kings
See how Mary holds her Son Jesus Christ, the Holy One.
Joseph guards with tender care

Peace and gladness fill the air
Stars and angels
shine His light

Find the way to
Bethlehem tonight
Find your way
This holy Christmas night
