

Think a sacred song

**The words will give
you pow'r**

Think the melody

And in that very hour

Your heart and mind will open

To let the spirit in

**And you will feel His
comfort again**

Think a sacred song

When scared or feeling bad

Hum the quiet tune

Whenever you are sad

**Your heart and
mind will open**

To let the spirit in

**And you will feel His
comfort again**
