

Think a sacred song

The words will give you pow'r

Think a melody

And in that very hour

Your heart and mind will open

To let the spirit in

**And you will feel its
comfort again**

**Think a message
sweet**

**When scared or
feeling bad**

Hum the quiet tune

So when you're feeling sad

**Your heart and
mind will open**

To let the spirit in

**And you will feel its
comfort again**
