**It's impossible to
say**

**Everything it means
to me**

To be a child of a loving God

**But I know He has a
plan**

**To bring us home to
Him again**

A plan of happiness

It is glorious

**He gave to us His
light**

**It's brighter than
the stars**

**And a little of His
love**

**He placed in every
heart**

**So I'll be brave and
true**

And kind all my life

**For I know who I
truly am inside**

**And it means
everything to me**

To be His child

**I will never be
alone**

**For I have a
Heav'nly home**

**And He is always
there**

To hear my prayer

Whatever happens down the road

I'll hold on to what I know

**Because He loves
me still**

And He always will

**He gave to us His
light**

**It's brighter than
the stars**

And a little of His love

He placed in every heart

**So I'll be brave and
true**

And kind all my life

**For I know who I
truly am inside**

**And it means
everything to me**

To be His child

He sent to us His son

Who's brighter than the stars

**Who showed how
deep His love**

**When He died to
save us all**

**I know that through
the grace**

He gives all my life

I'll return

**To my Heavn'ly
Father's side**

**For it means
everything to me**

To be his child

To be His child

To be His child
