

Joseph Smith when humbly praying

**Saw the Father and
the Son**

**As They are in all
Their glory**

**Brighter than the
noonday sun**

**Give Them glory
give Them honor**

**For the truths
restored through
prayer**

**God above shall
beam His light**

**Into your heart
these truths to share**

**Joseph then was
called by God**

**To bring to light His
holy word**

**In the Book of
Mormon we will find**

**God's precious truth
restored**

**Read it daily, seek
and ponder**

**And lift up your soul
in prayer**

**God above shall
beam His light**

**Into your heart its
truth to share**
