

Two thousand stripling warriors

Young men of pow'r and might

Responded to the battle cry

**O who will stand
and fight?**

**Behold, our God is
with us!**

**We serve at His
command**

**They did not fear to
give their lives**

**But boldly took a
stand**

**This willing band of
brothers**

**Were by their
mothers taught**

**To trust in God
continually**

**Be true in deed and
thought**

**For God would then
protect them**

**Their faith He would
reward**

**They did not doubt
their mothers knew**

**They trusted in the
Lord**

**With Helaman
their leader**

**This valiant
brotherhood**

**United in exceeding
faith**

**And fearlessly they
stood**

**With no desire for
bloodshed**

**but wanting to be
free**

They fought for life and liberty

For God and family

Two thousand stripling warriors

**Courageous for their
cause**

**Went forth as with
the strength of God**

**And not one soul
was lost**

**Their faith had
made them mighty**

**Their strength was
multiplied**

**They fought with pow'r
beyond their own**

**For God was on
their side**
