

**Visions of Christmas  
fill my mind**

**And dance before  
my eyes**

**I see a world of joy**

**For ev'ry girl and  
boy**

**And feel the love of  
God**

**And feel the love of  
God**

**Visions of Christmas  
shine so bright**

**They speak of long  
ago**

# **When Jesus came to earth**

# **And angels sang His birth**

**And Wise Men  
brought Him gifts**

**And Wise Men  
brought Him gifts**

# **Visions of Christmas in my heart**

**I understand them  
now**

**All men will live  
again**

**And Christ will come  
to reign**

**And He will bring us  
peace**

**And He will bring us  
peace**

# **Visions of Christmas filled with love**

# **For God and for all men**

**Gone will be hurt  
and fear**

**I'll feel my Savior  
near**

**And He will hold me  
close**

**And He will hold me  
close**
