

**When I hear of  
pioneer children**

**Of trials and  
courage and faith**

**I want to be willing  
as they were**

**To look to the Lord  
for my strength**

**I'll follow the  
prophets as they did**

**For I want to build  
Zion too!**

**I'll try to have faith  
to do hard things**

**When that's what He  
needs me to do**

**When I hear of  
pioneer children**

**I want to be strong  
for my day**

# **I'll try to keep all the commandments**

# **And be a true Latter-day Saint**

**I'll stand as a  
shining example**

**That others who  
follow will see**

# I'll be like those pioneer children

# The Lord is depending on me
