

# **The Shepherd loves His little lambs**

**And when they go  
astray**

**He seeks them as  
they wander**

**He calls each one by  
name**

**They listen for the  
Shepherd's voice**

**They run to Him  
and then**

**He welcomes them  
with loving arms**

**When they return to  
Him**

# **The Savior loves His little ones**

**And if I leave His  
side**

**He seeks me as I  
wander**

**By day or darkest  
night**

**I'll listen for the  
Savior's call**

**I'll come to Him  
and then**

**He'll welcome me  
with loving arms**

**When I return to  
Him**

**The Savior marks  
the path for me**

**He shows me how to  
live**

**And if I stray or  
wander**

**I know He will  
forgive**

**So I will heed the  
Savior's voice**

**I'll turn away from  
sin**

**And He will fill my  
heart with joy**

**When I return to  
Him**
