

# **Abinidi stood strong and bold**

**When he warned  
the Wicked King,**

**We have a Prophet  
here today**

**Who warns us just  
the same**

**And when the  
Prophet speaks to me**

**I feel so warm  
inside**

**I know he is God's  
messenger**

**For the Spirit  
testifies**

# **When a Prophet speaks for God**

**I know that it is true**

**If I kneel and pray,  
listen and obey**

**I'll know what I  
must do**

# **When a Prophet speaks for God**

**We feel our Fathers  
love**

**By revelation we  
can know the truths**

**From up above**

# When a Prophet speaks for God.

**So turn your hearts  
dear children**

**To the Prophet we  
have now**

# **Abinidi and Prophets past**

**Have surely shown  
us how**

# We listen to His message and know

# We're not alone

**By following the  
Prophet we'll reach**

**Our Heaven'ly home**

# **When a Prophet speaks for God**

**I know that it is true**

**If I kneel and pray,  
listen and obey**

**I'll know what I  
must do**

# When a Prophet speaks for God

**We feel our Fathers  
love**

**By revelation we  
can know the truths**

**From up above**

# When a Prophet speaks for God
