

**If I were a shepherd**

**I'd kneel before the  
manger**

# Though lowly and a stranger

My gift would be my  
heart

# If I were a shepherd

# I'd find the babe asleep there

# And say a humble prayer

# If I were a shepherd

# If I were a shepherd

**If I were a wise man**

**I'd travel from a far**

**I'd follow that great  
star**

**Until I found the  
child**

**If I were a wise man**

**I'd bring my finest  
gift**

# My vow to follow him

**If I were a wise man**

**If I were a wise man**

# If I were an angel

**Oh how I would  
rejoice**

**I'd sing with my  
best voice**

# All glory be to God

**If I were an angel**

**I'd join the  
heavenly chorus**

**Praise God, He sent  
Christ for us**

**Hosanna to His  
name!**

# If I were an angel

**I'm not a shepherd**

**I'm not a traveling  
wise man**

**I'm not a singing  
angel**

**I love Him just the  
same**

# I'm a disciple

# I choose to love and serve Him

**To follow His  
commandments**

**To take upon his  
name**

**I'm a disciple  
I'm a disciple**

**I'm a disciple**
