**One, for each  
blessed day**

**Two, every breath I  
take**

# Three, for my family

# Four, all they mean to me

**Five, just to be alive**

**Six, for the earth  
and sky**

# **And seven for heaven**

**For every good  
thing**

**That I have comes  
from God**

# Every day every hour

**There are blessings  
He sends**

**Without number or  
end**

**If I counted a  
hundred**

**Or a thousand I'm  
sure**

**There would still be  
more**

**To be thankful for**

**Eight, for the chance  
to grow**

**Nine, heart and  
hands and soul**

**Ten, for the eyes to  
see**

**All God has given  
me**

**I could go on and  
on**

**Counting the whole  
day long**

**I know He is with  
me**

**For every good  
thing that I have**

**Comes from God**

# Every day every hour

**There are blessings  
He sends**

**Without number or  
end**

**If I counted a  
hundred**

**Or a thousand I'm  
sure**

# There would still be more

**There would still be  
more and more**

**To be thankful for**
