

**We're a million
children strong**

**Around the world
today**

Each one a special child of God

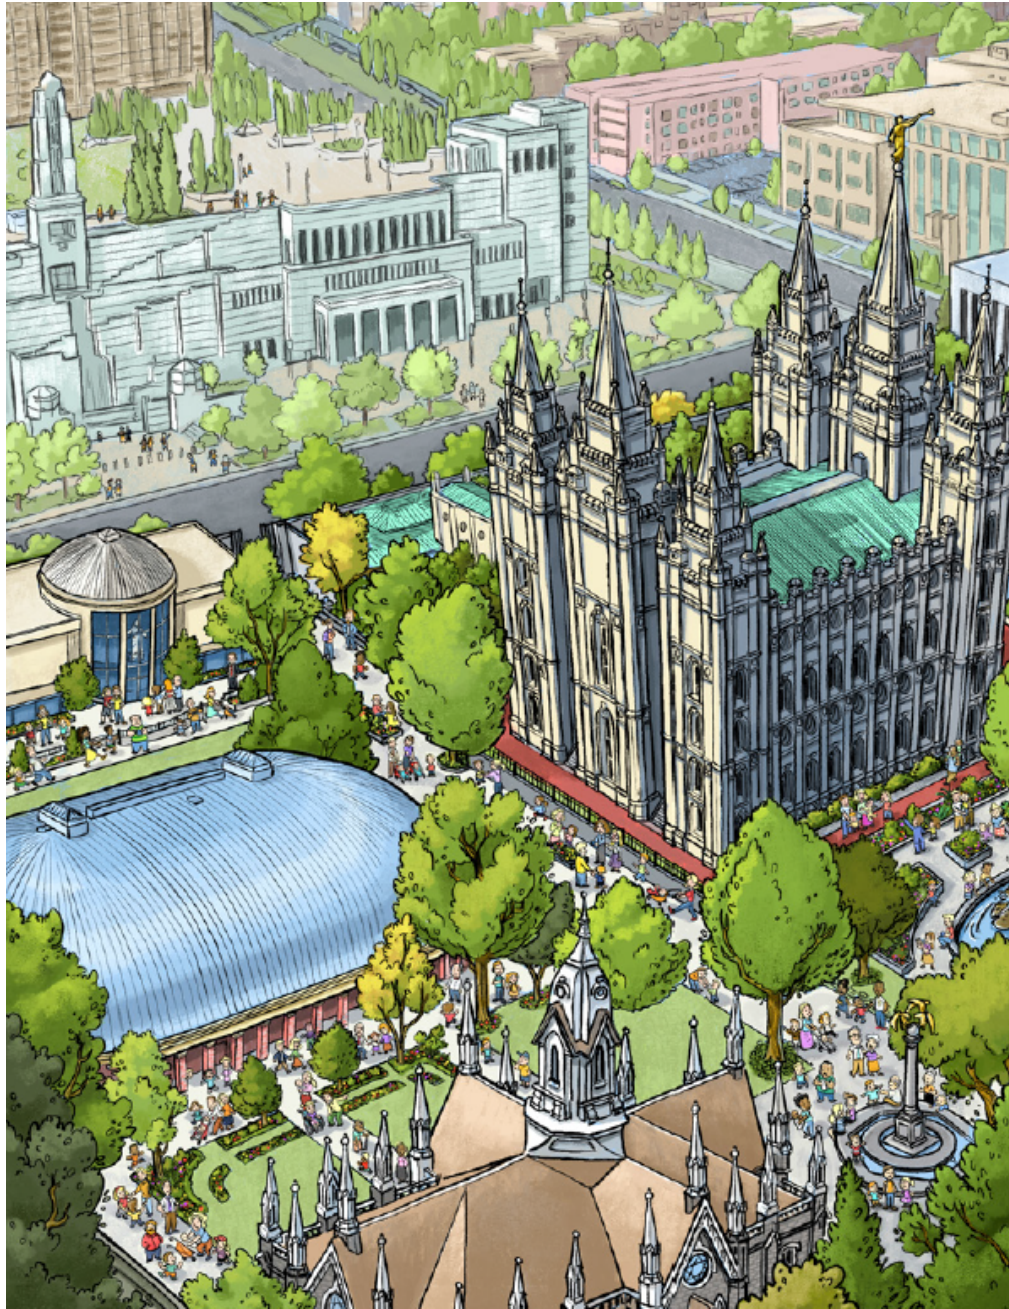

Unique in ev'ry way

**We're one in a
million**

**Growing in faith
and might**

**We're one in a
million**

Walking in His light

Uniquely individual

One of a kind

We'll be what Heav'nly Father

Has in mind

I'm learning to be kind

Obedient, and true

**I try to show I love
the Lord**

In all I say and do

I'm one in a million

Growing in faith and might!

I'm one in a million

Walking in His light

Uniquely individual

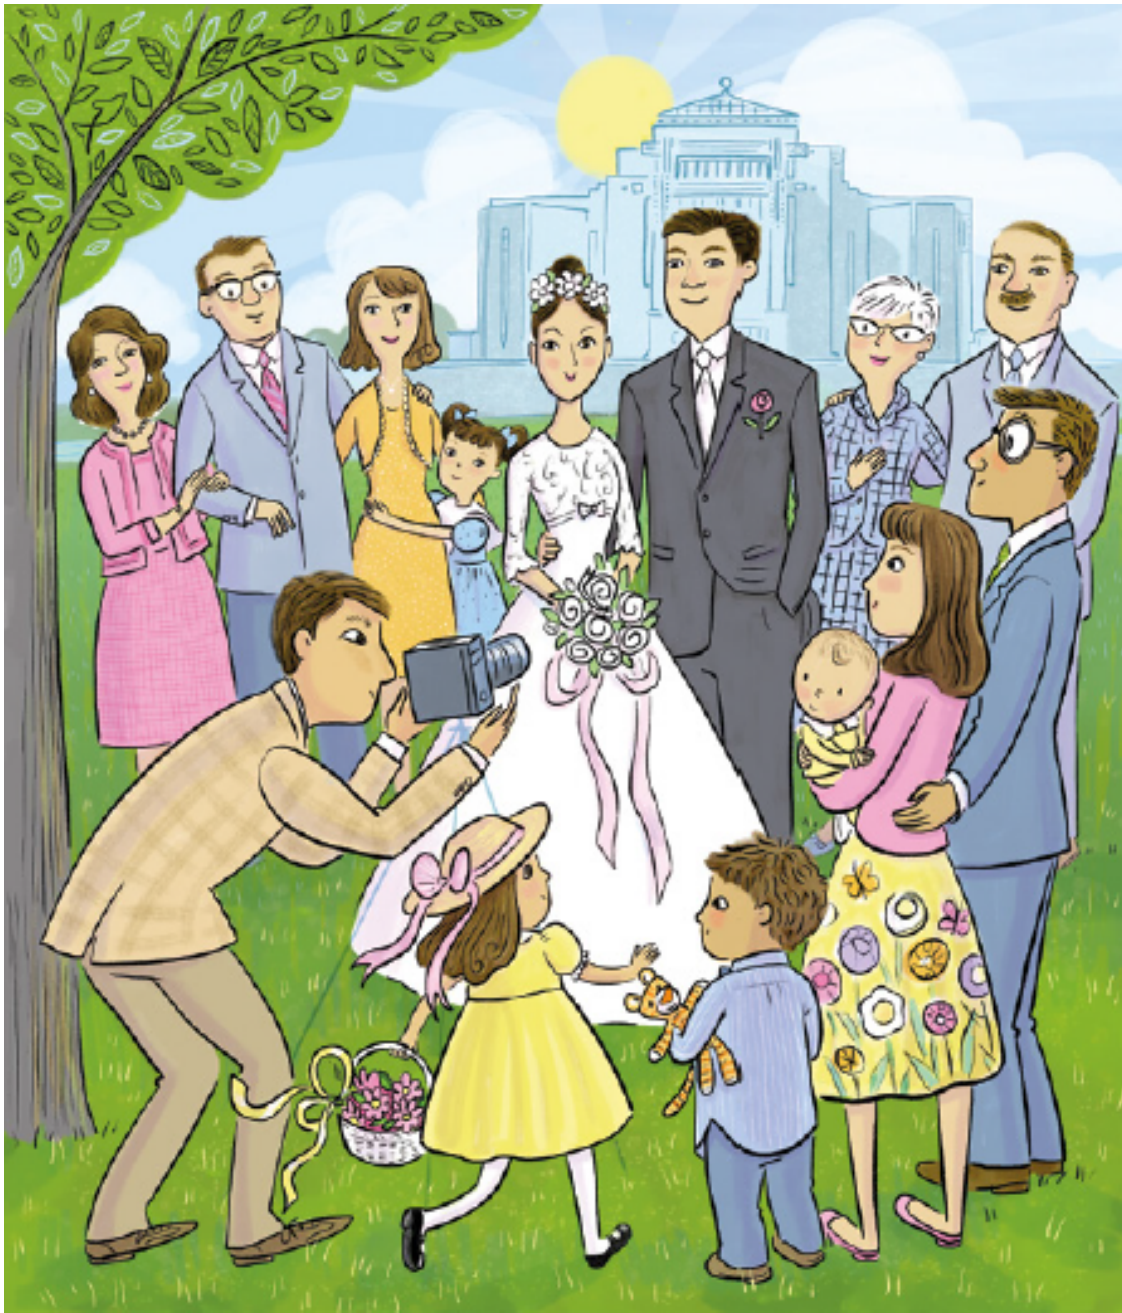

One of a kind

I'll be what Heav'nly Father

Has in mind for me!

I'll be what Heav'nly Father

Has in mind
